OVERLOOK

1975

Ben Jackson

Memories caught in the webs of our
minds —— never to be lost ——
Golden moments too precious to be
forgotten . . .
The sparkle of an eye, the light of a
smile, the joyous sound of laughter ——
Our hearts envelope that which is good.
It is this that propels us onward.

Dedication

A smile can brighten our
darkest moments
A pat on the back can strengthen
our last ounce of hope
A nudge in the right direction
can steady our faltering steps
And a word of confidence
can lead us to success.
He is the donor, and we
are the recipients.
We, the Class of 1975, dedicate
our annual to a faithful
friend . . .

Mr. T. F. Fields

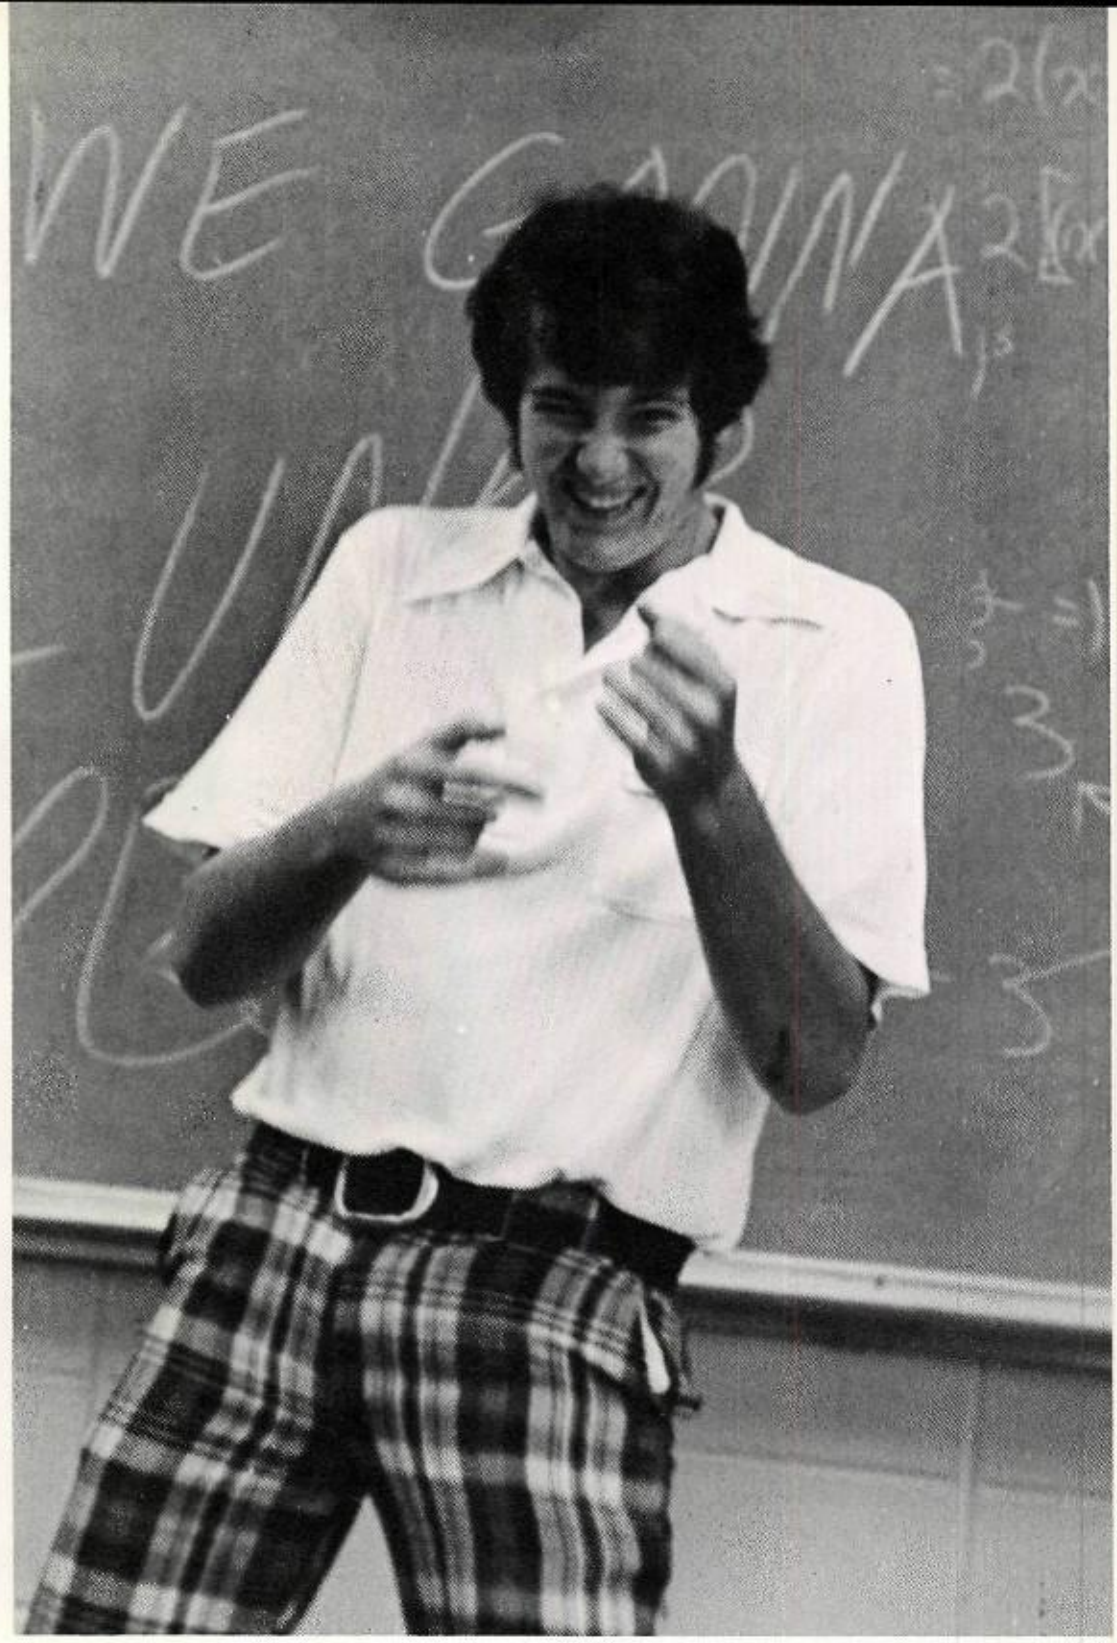
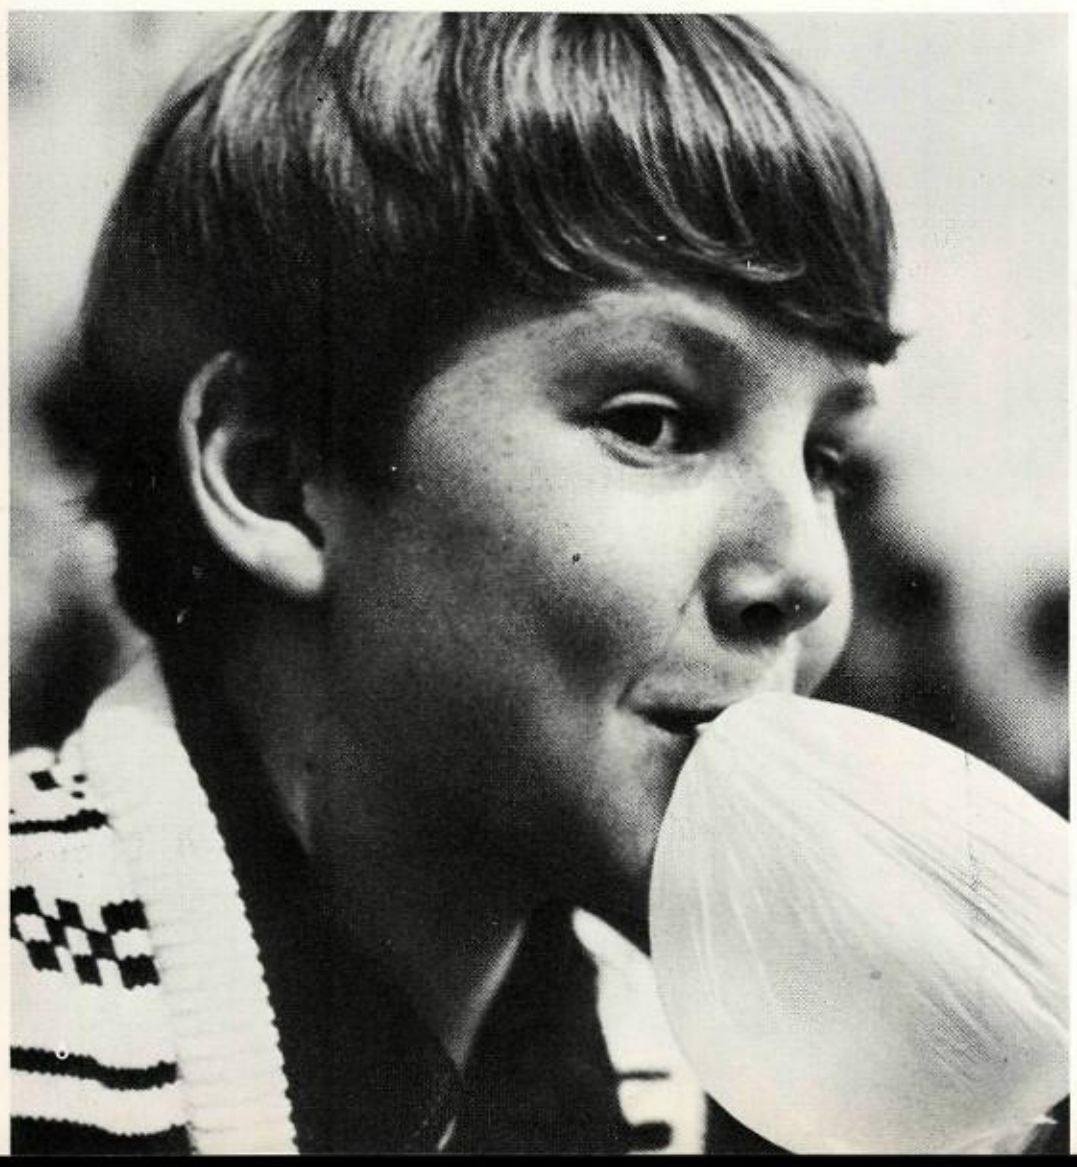
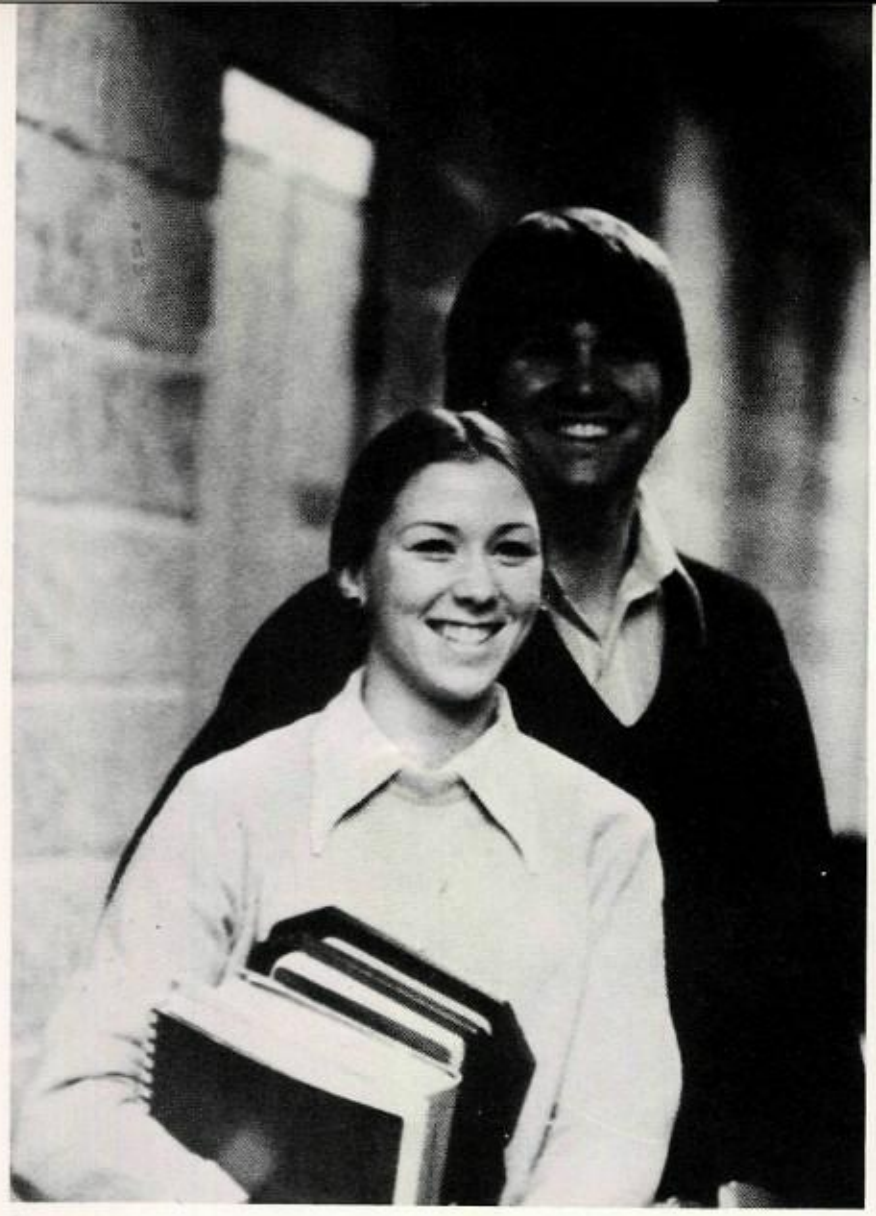
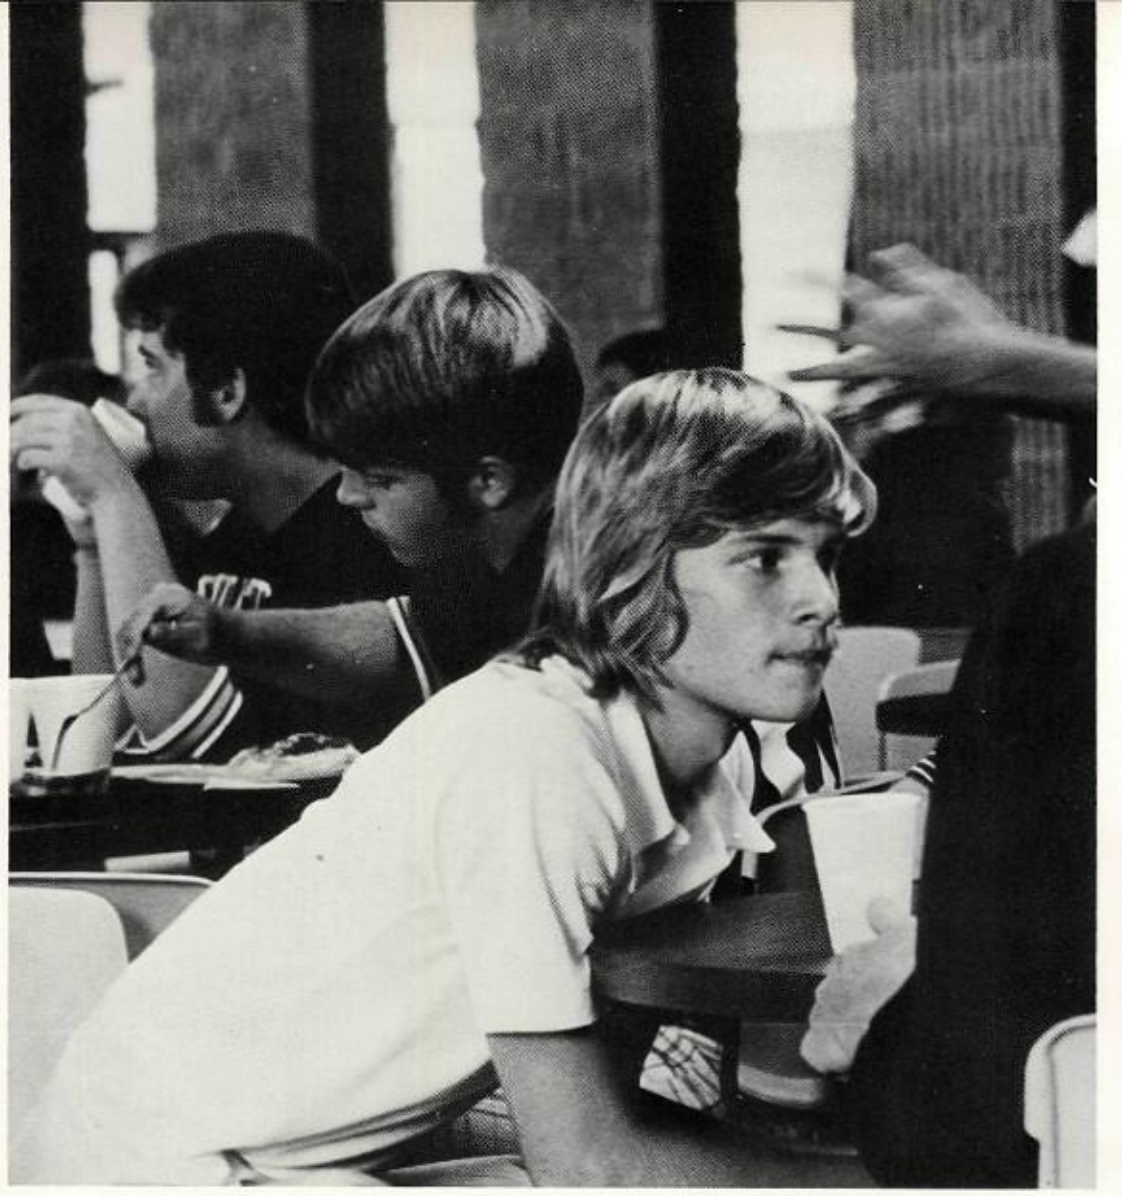
Life, so they say, is but
a game
And they let it slip
away

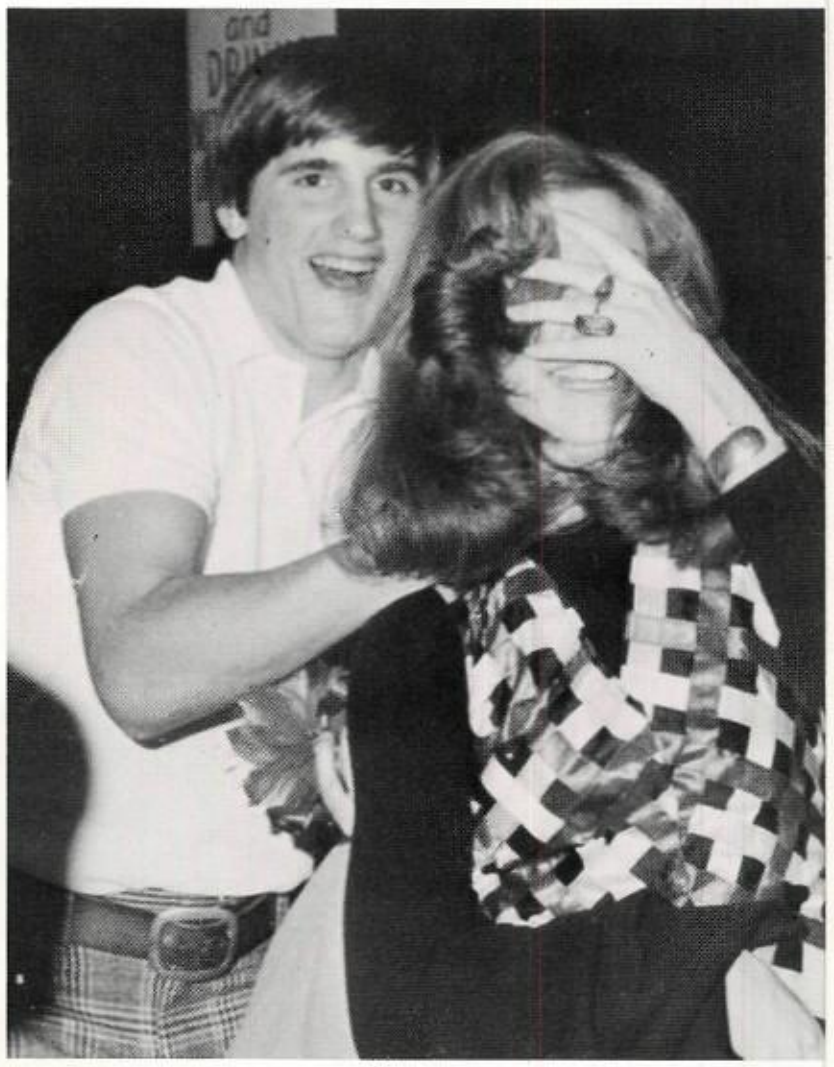


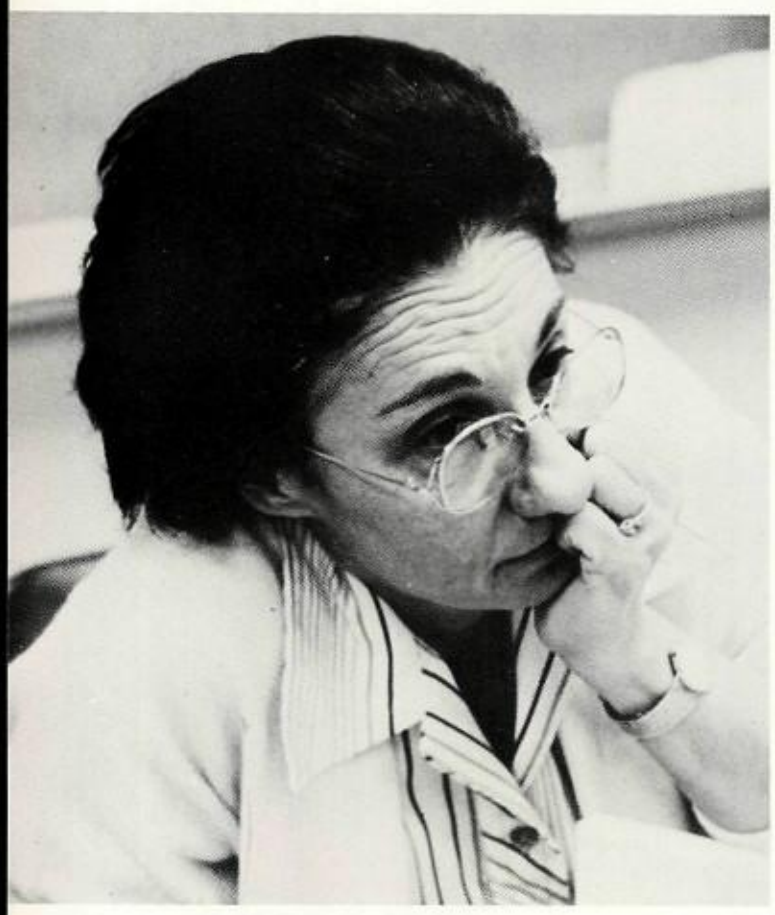




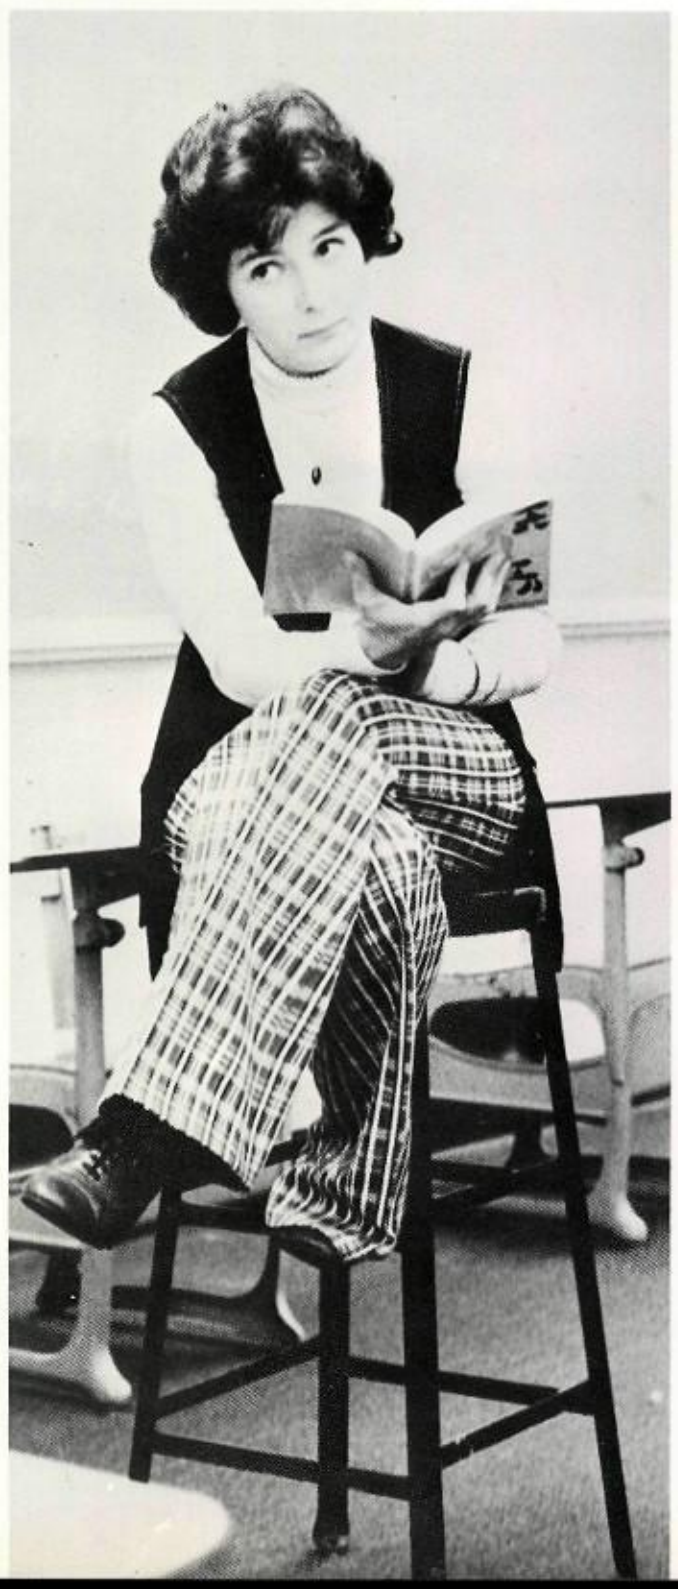
Love, like the Autumn sun,
should be dying
But it's only just begun —

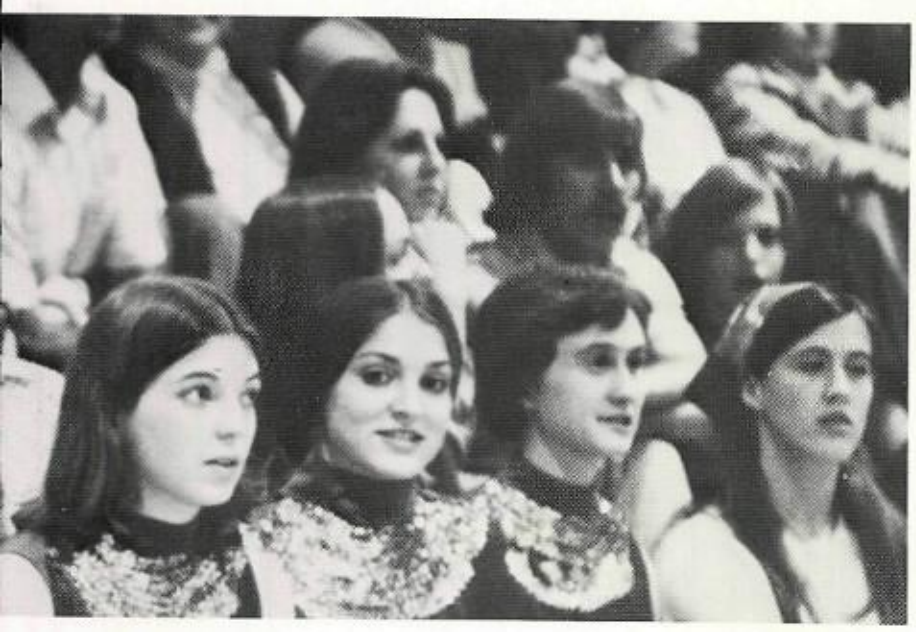




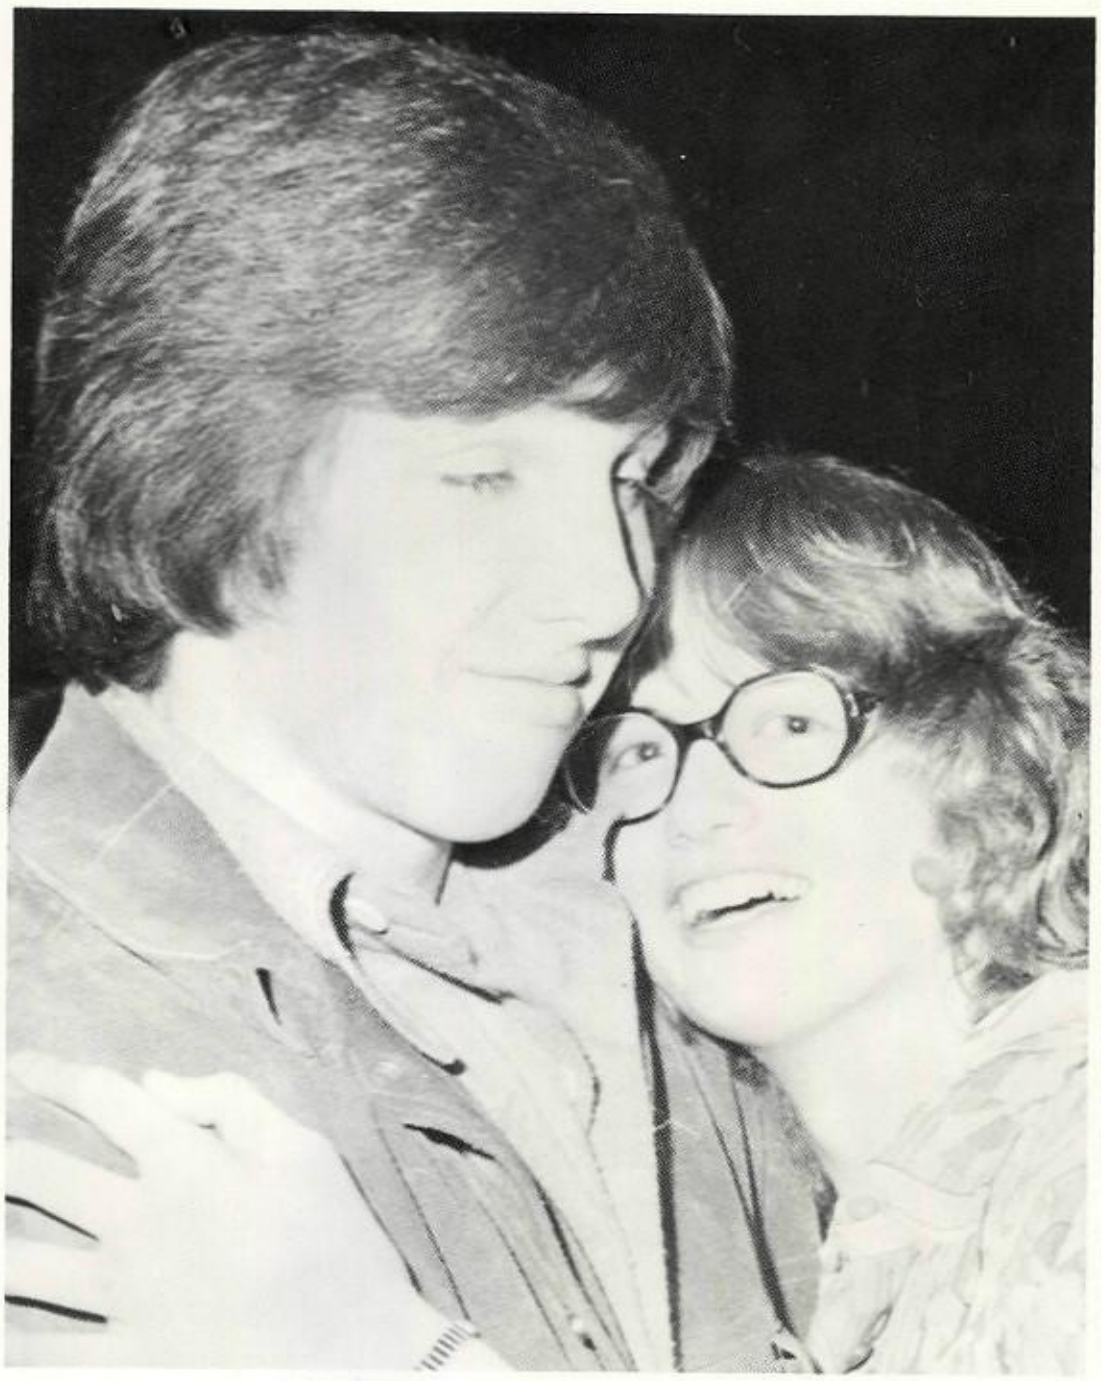


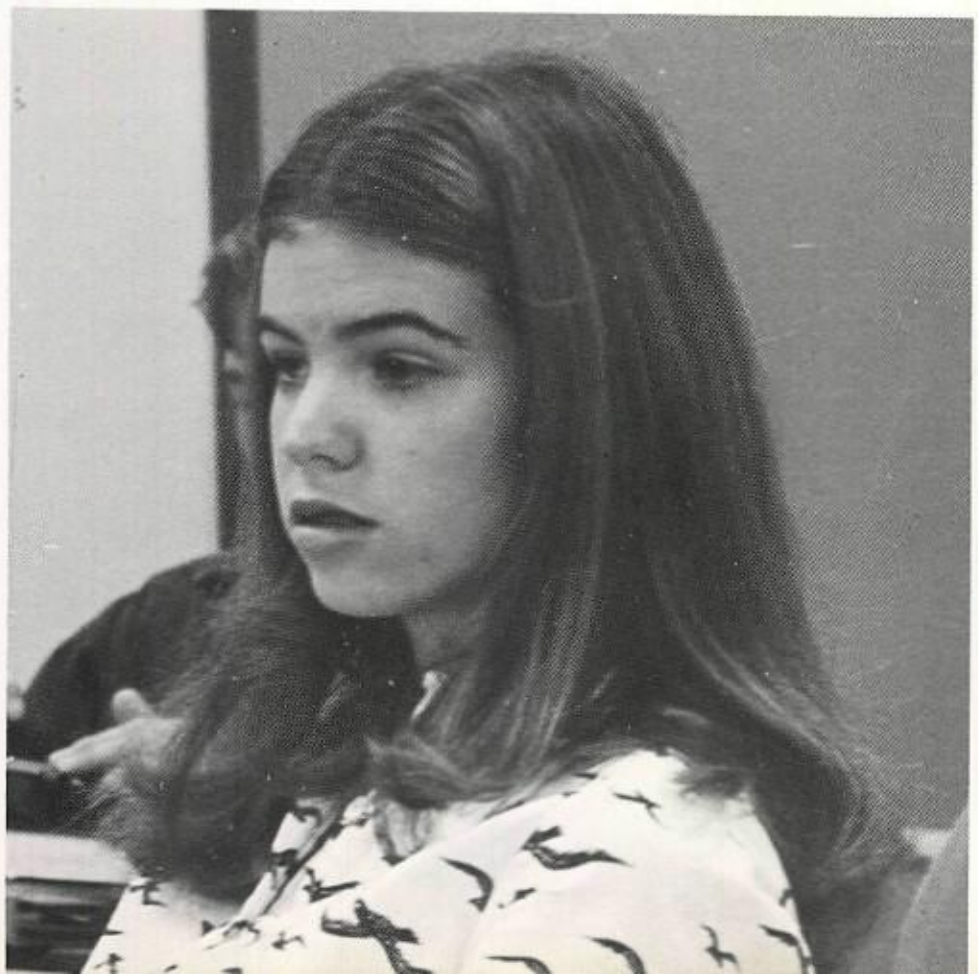
Like the twilight in
the road up ahead
They don't see just
where we're goin'

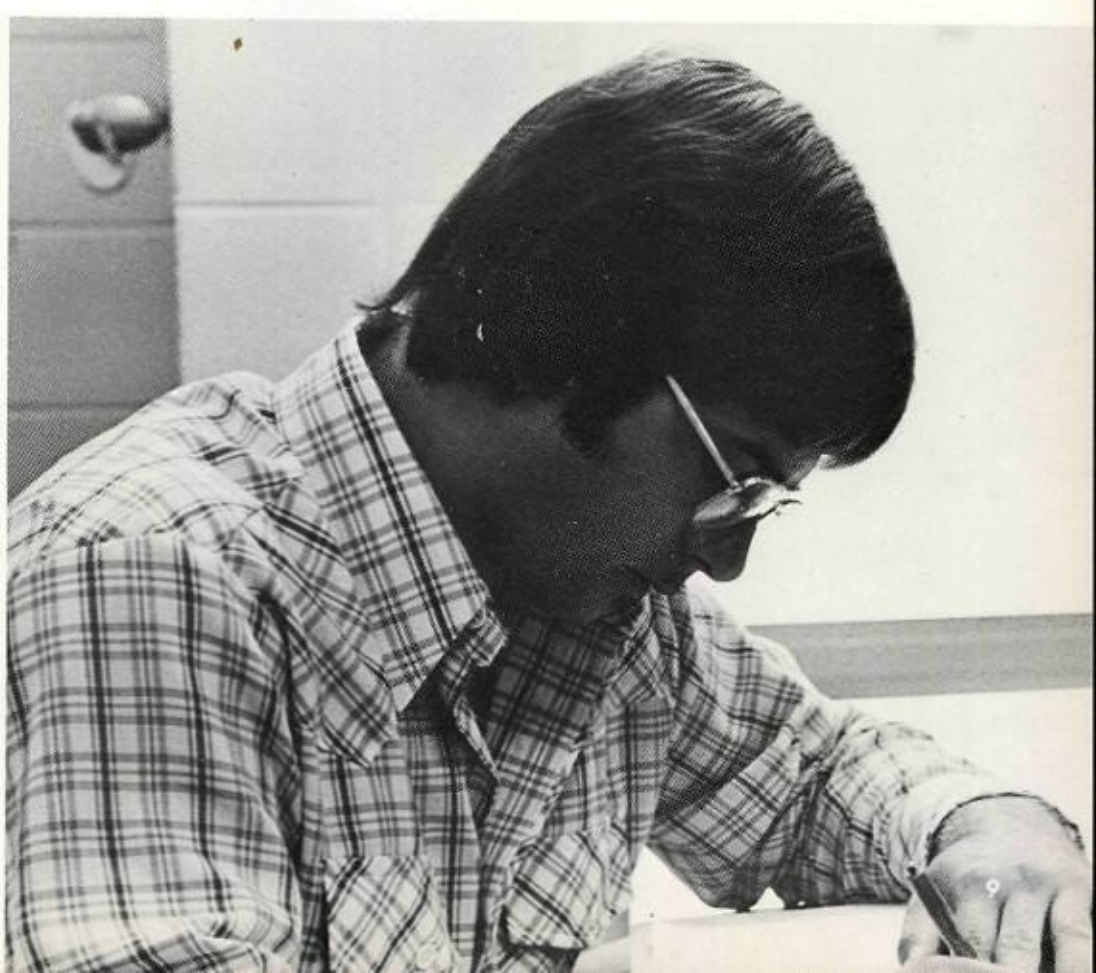




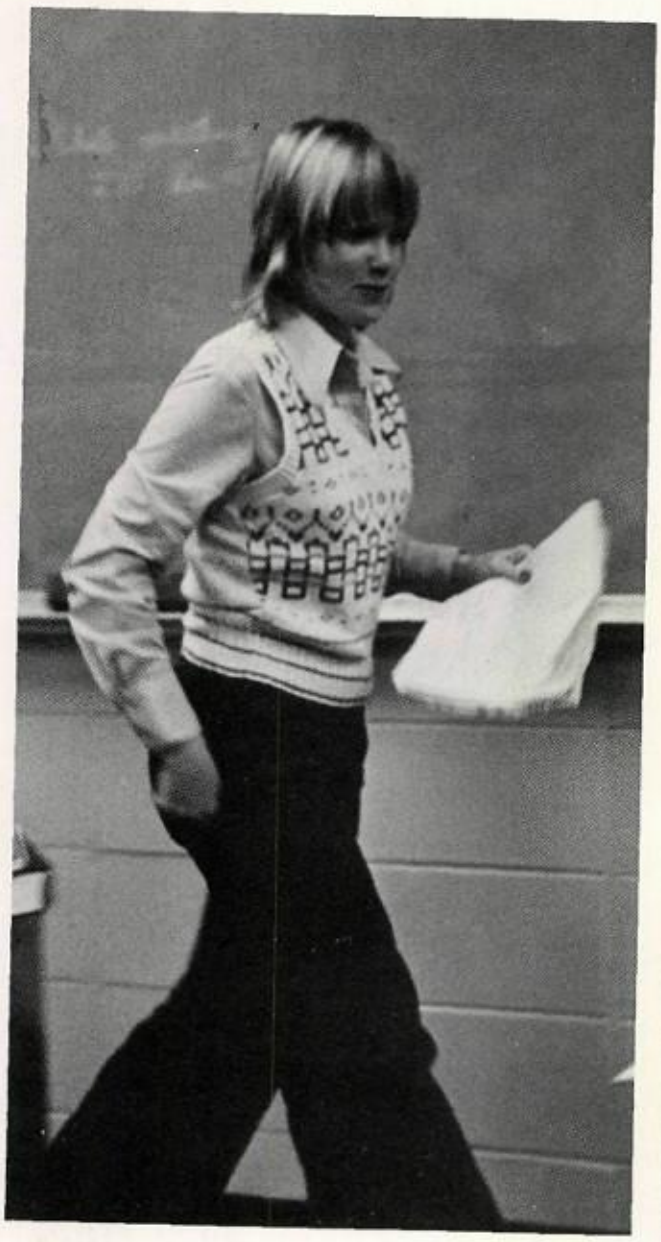
And all the secrets
in the universe
Whisper in our ears —

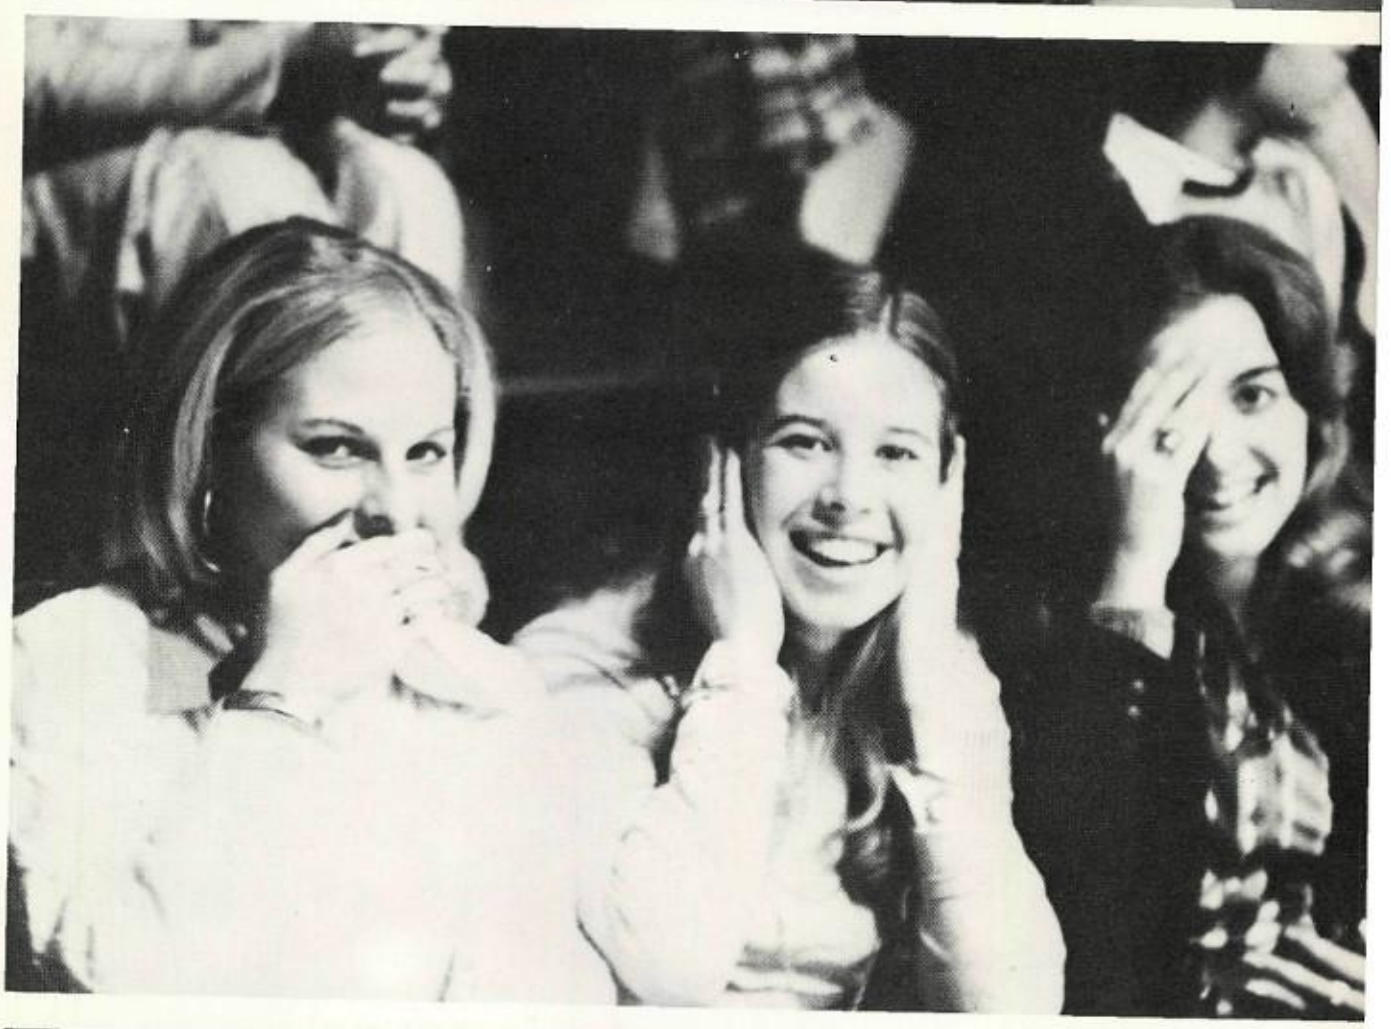




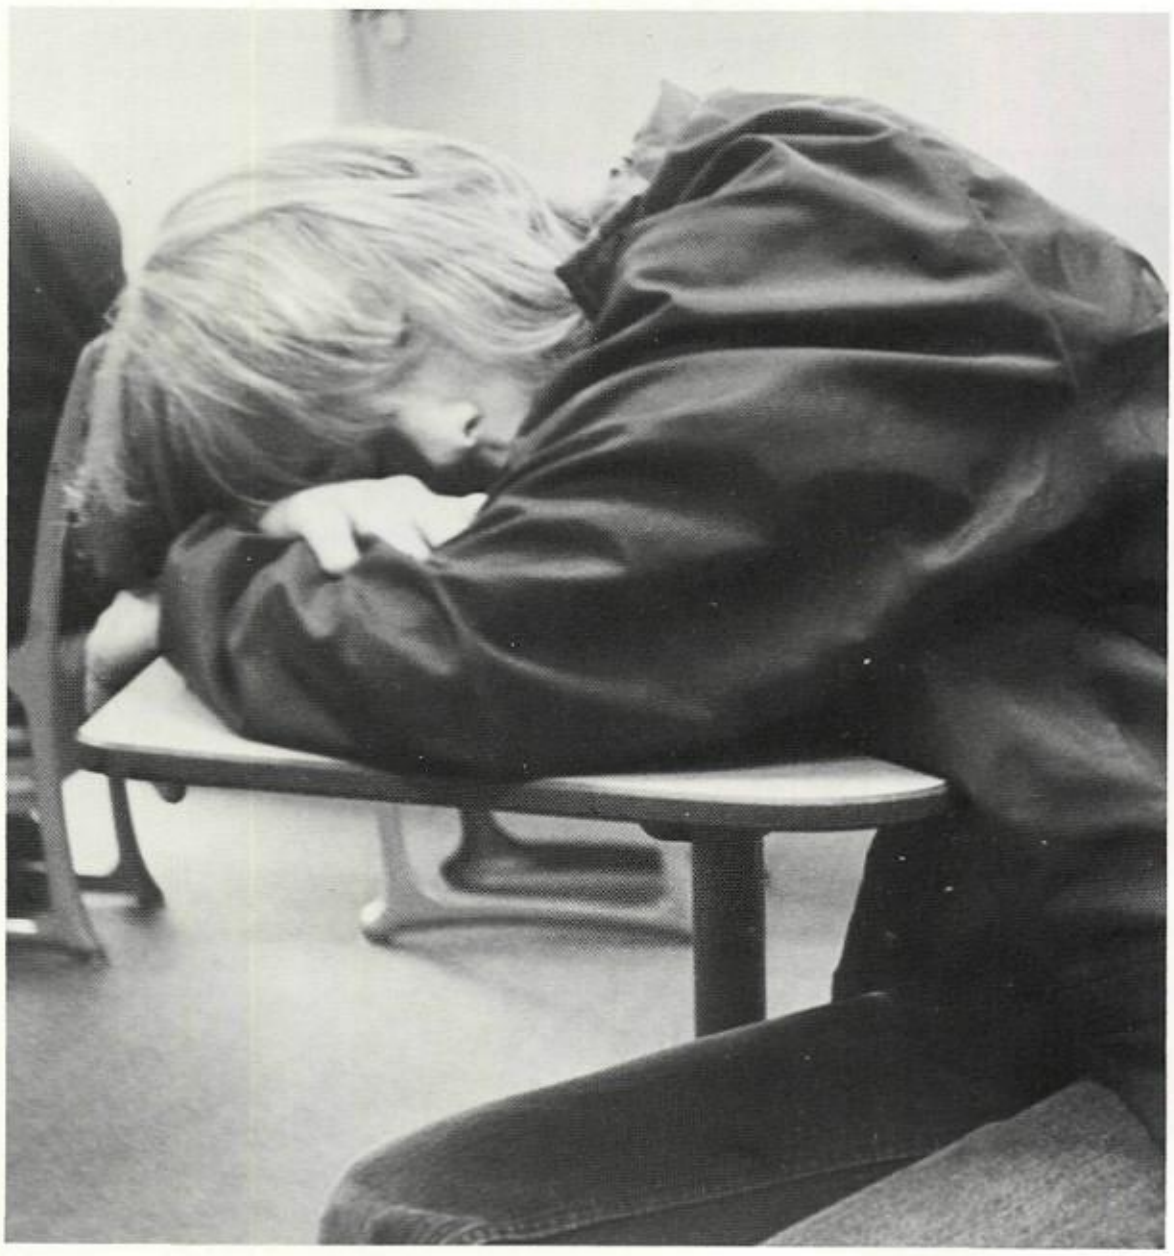


And all the years
will come and go
And take us up,
always up

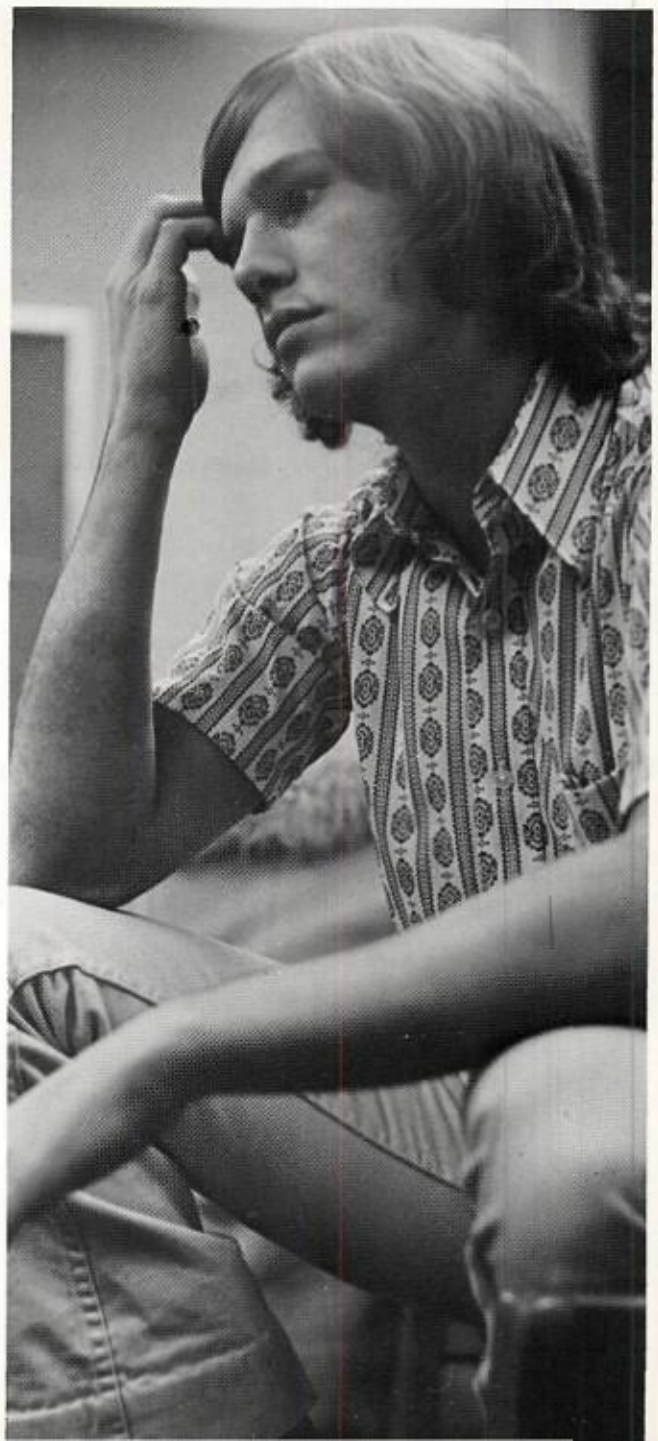




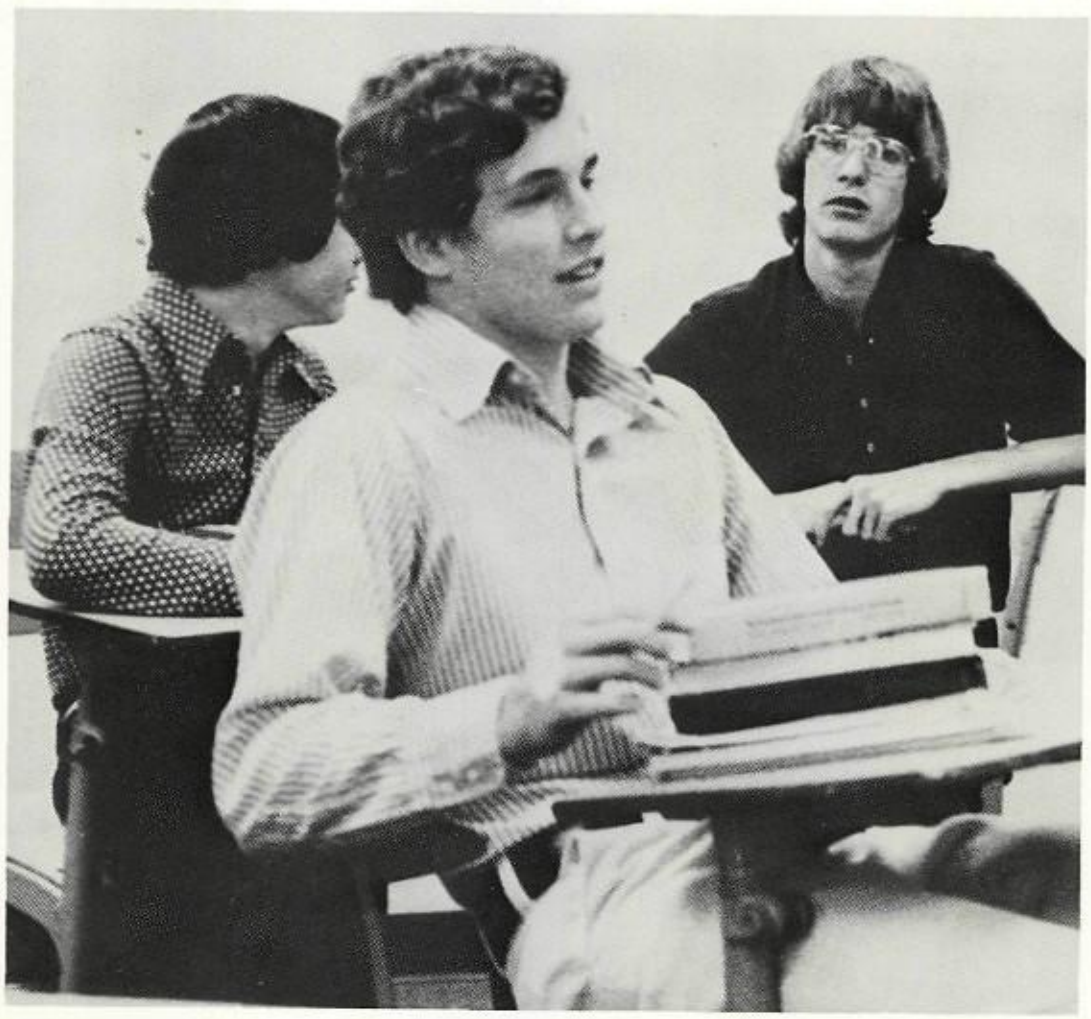
We may never
pass this way
again . . .



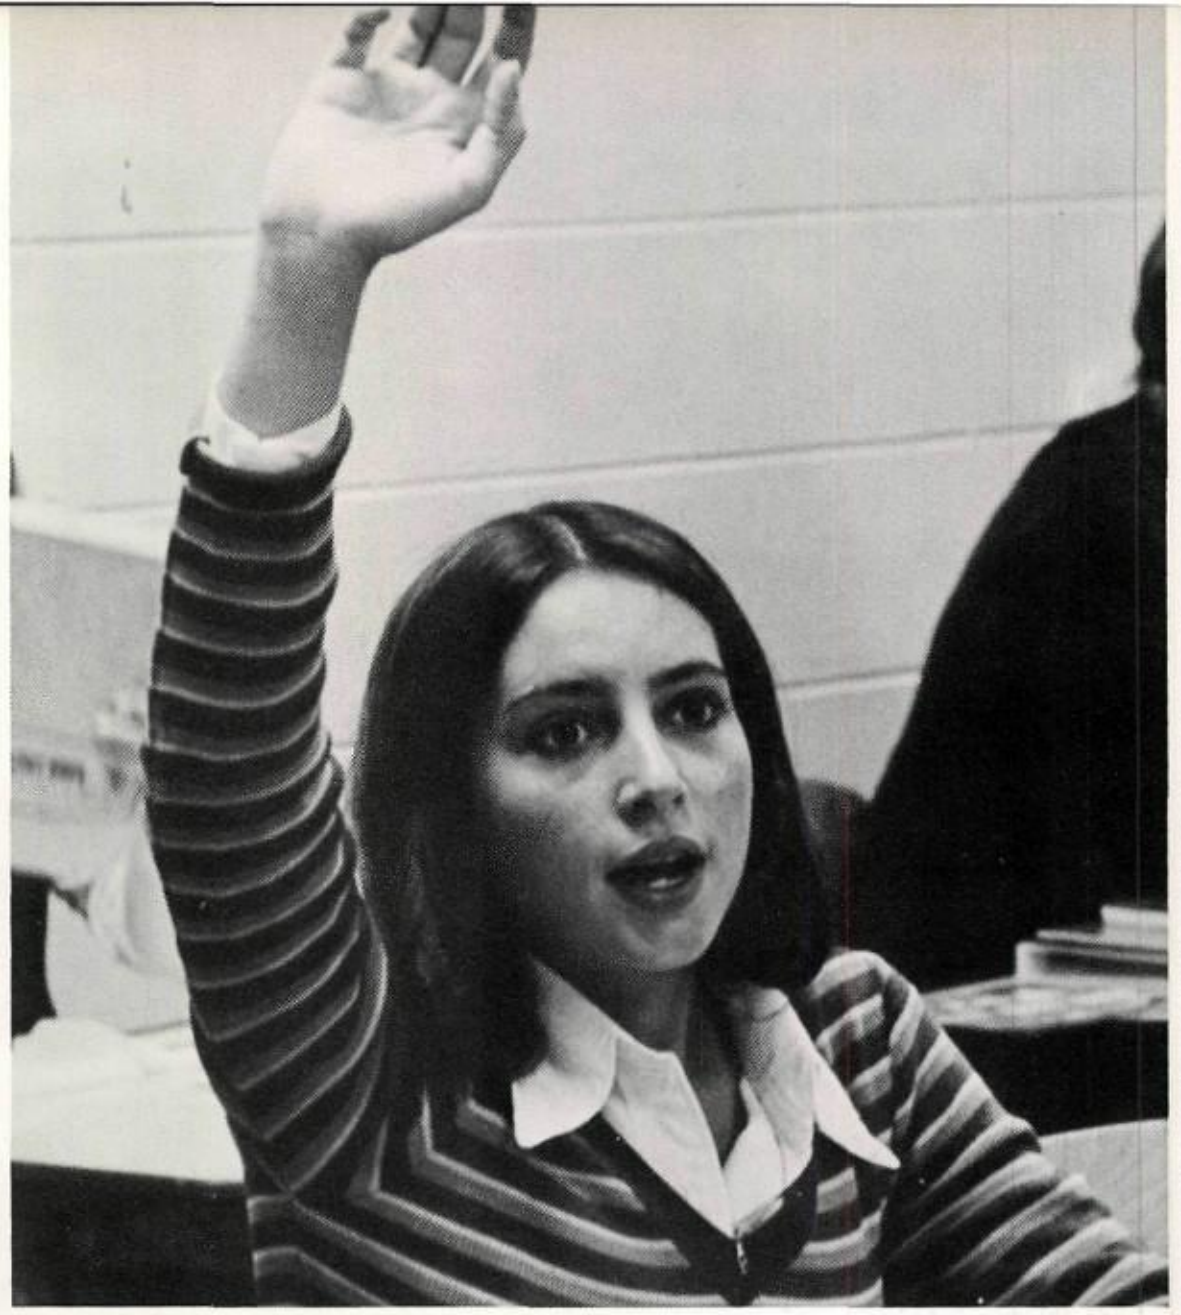
Dreams, so they say, are
for fools
And they let them slip away

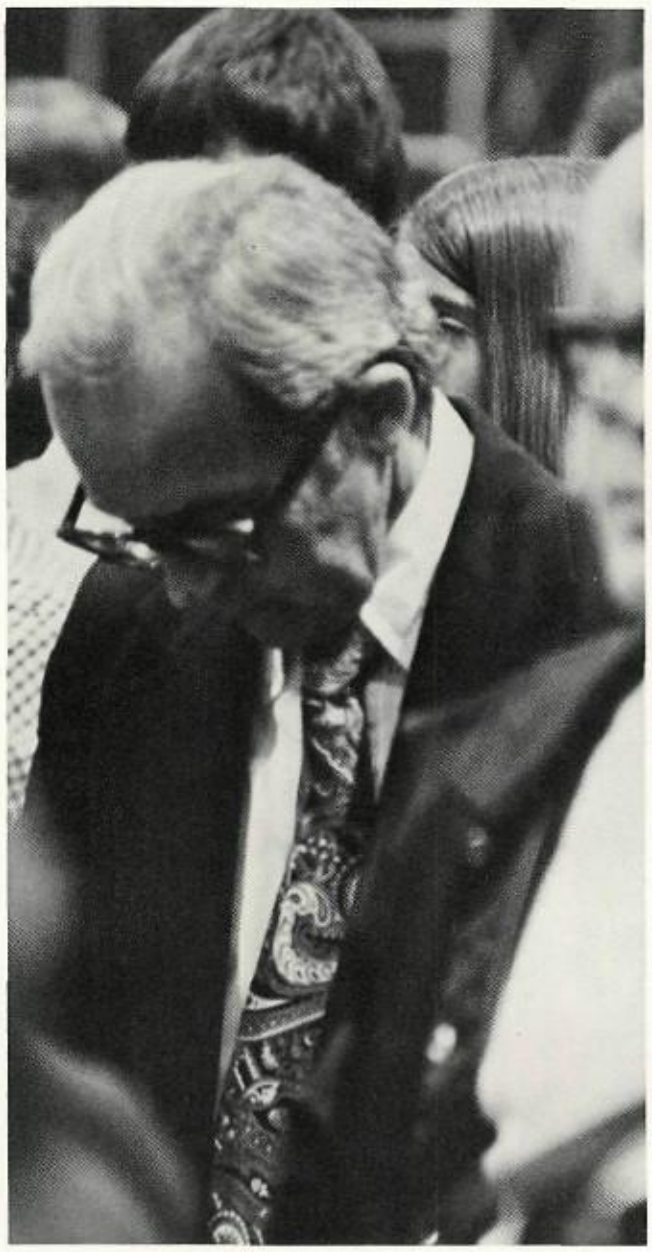


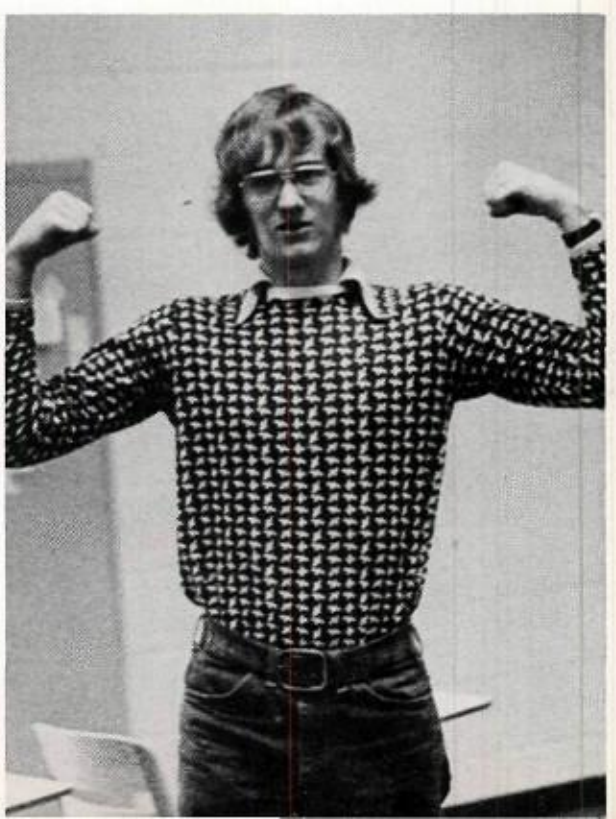
Peace, like the silent dove,
should be blind
But it's only just begun —

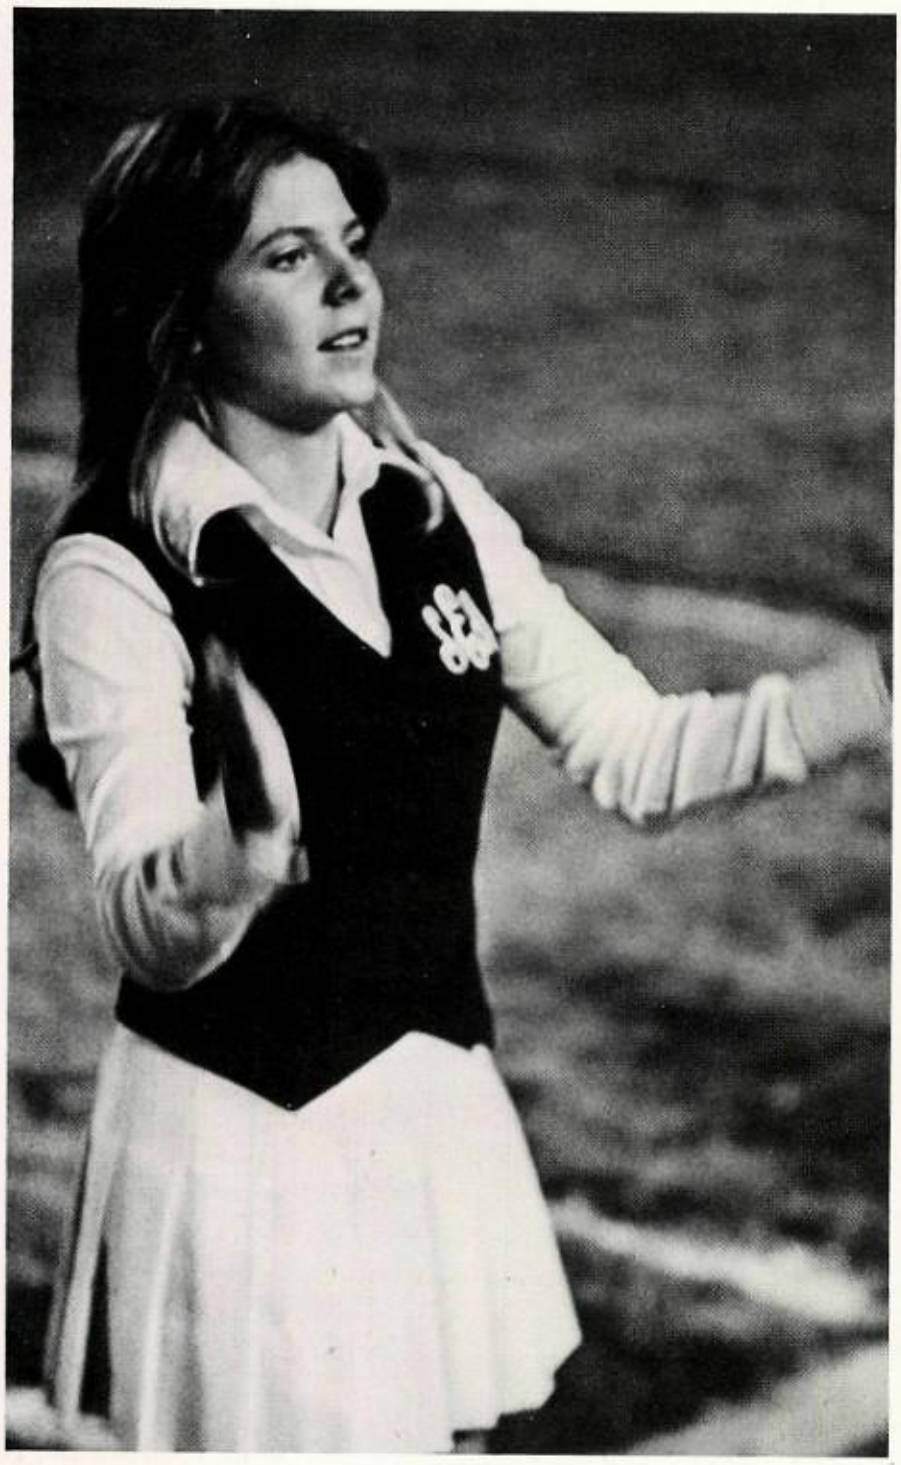


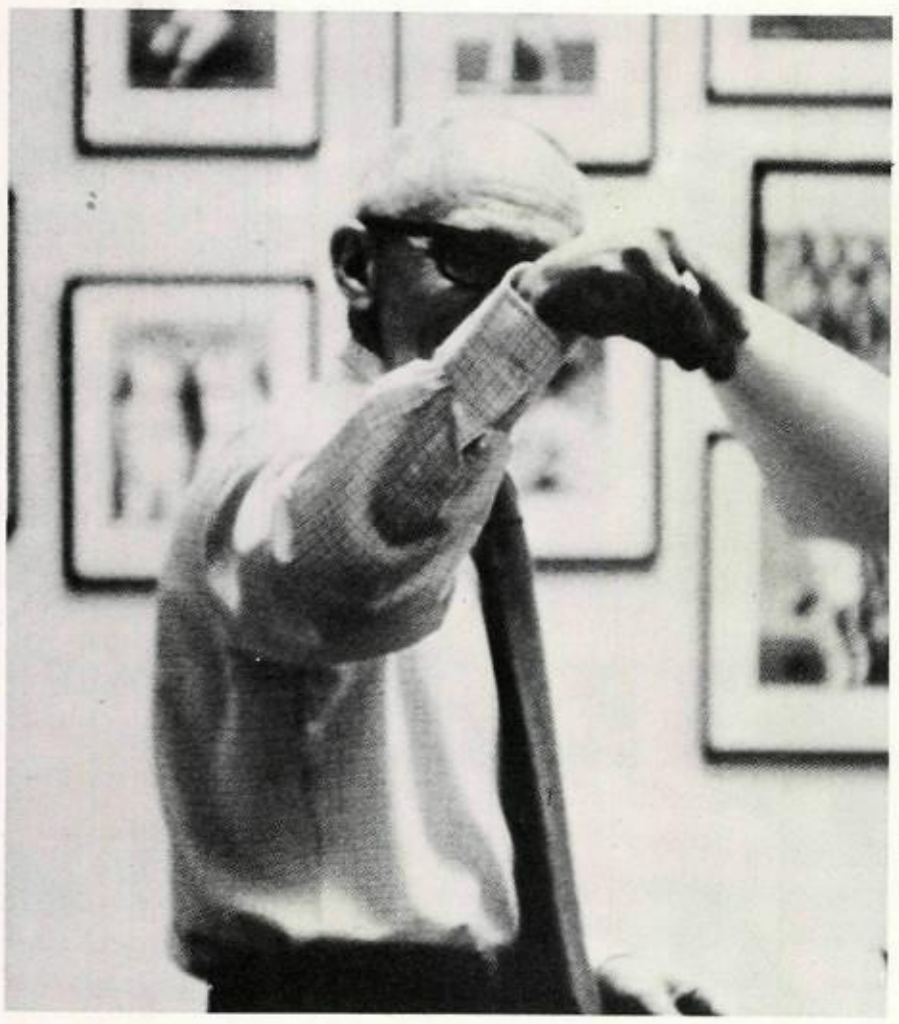
Like Columbus in
the olden days
We must gather
all our courage

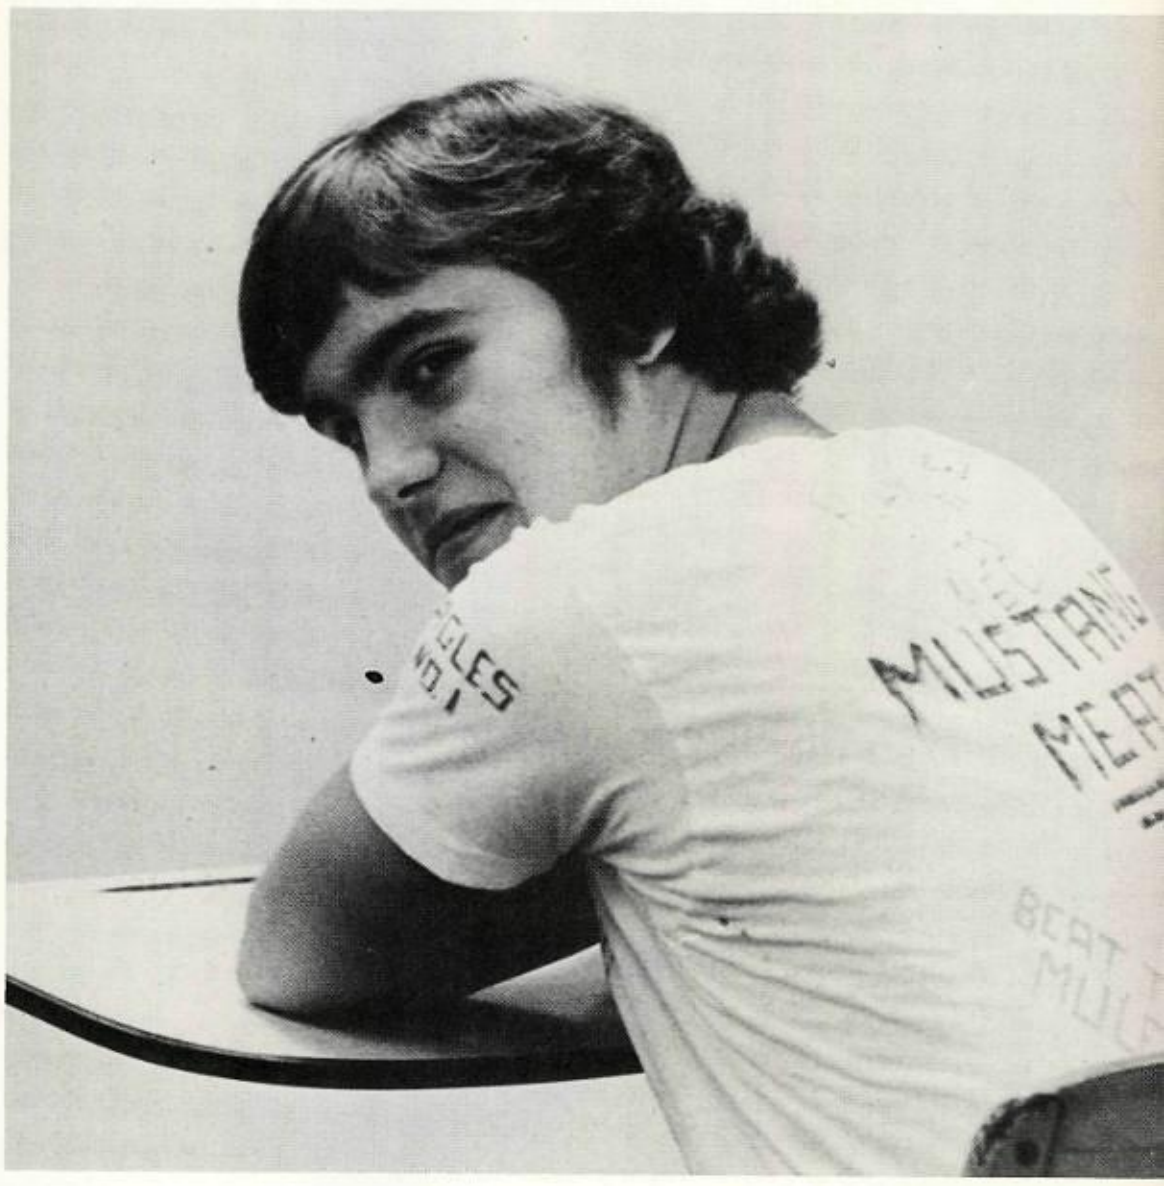




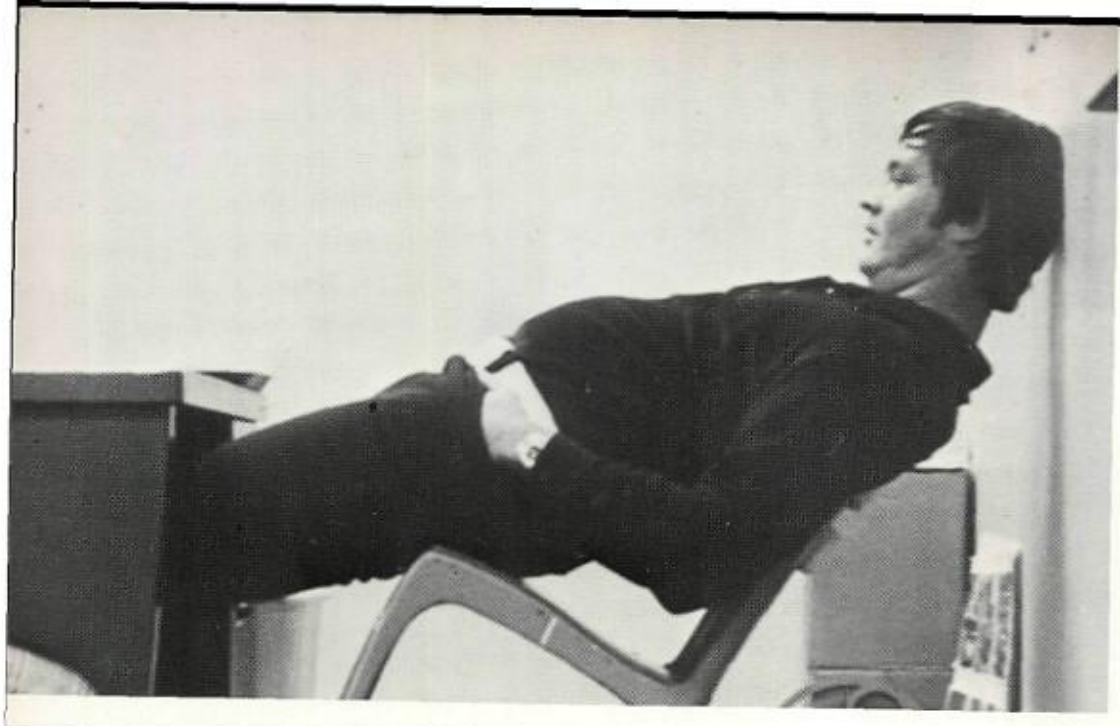


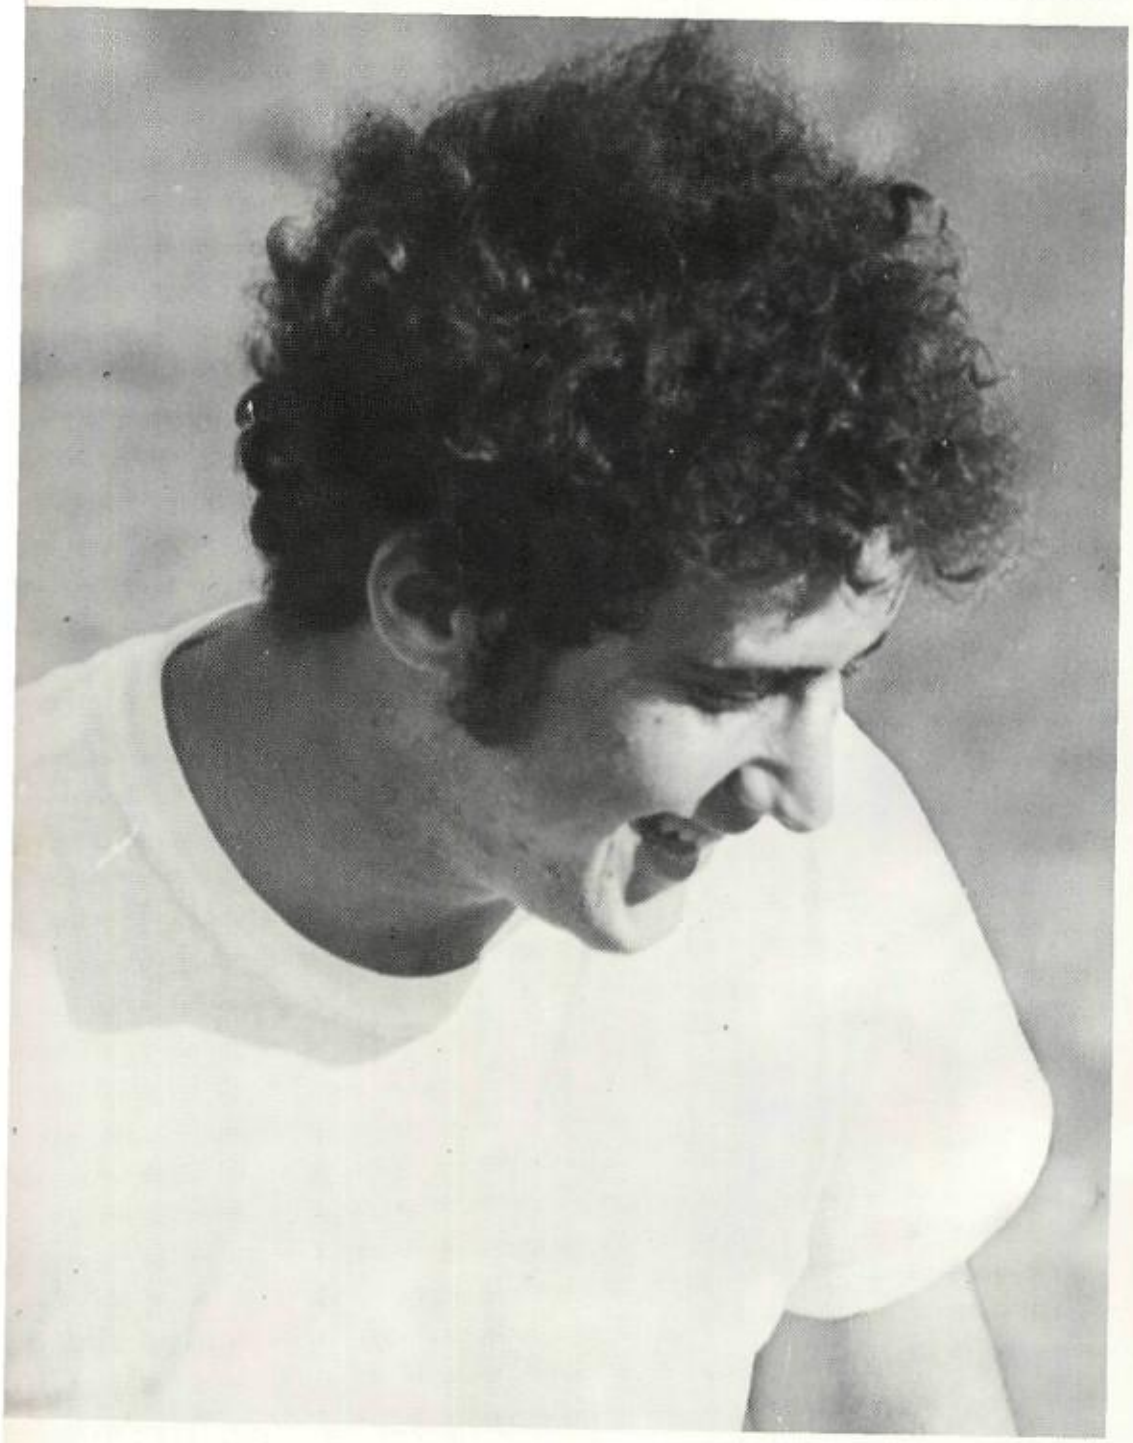


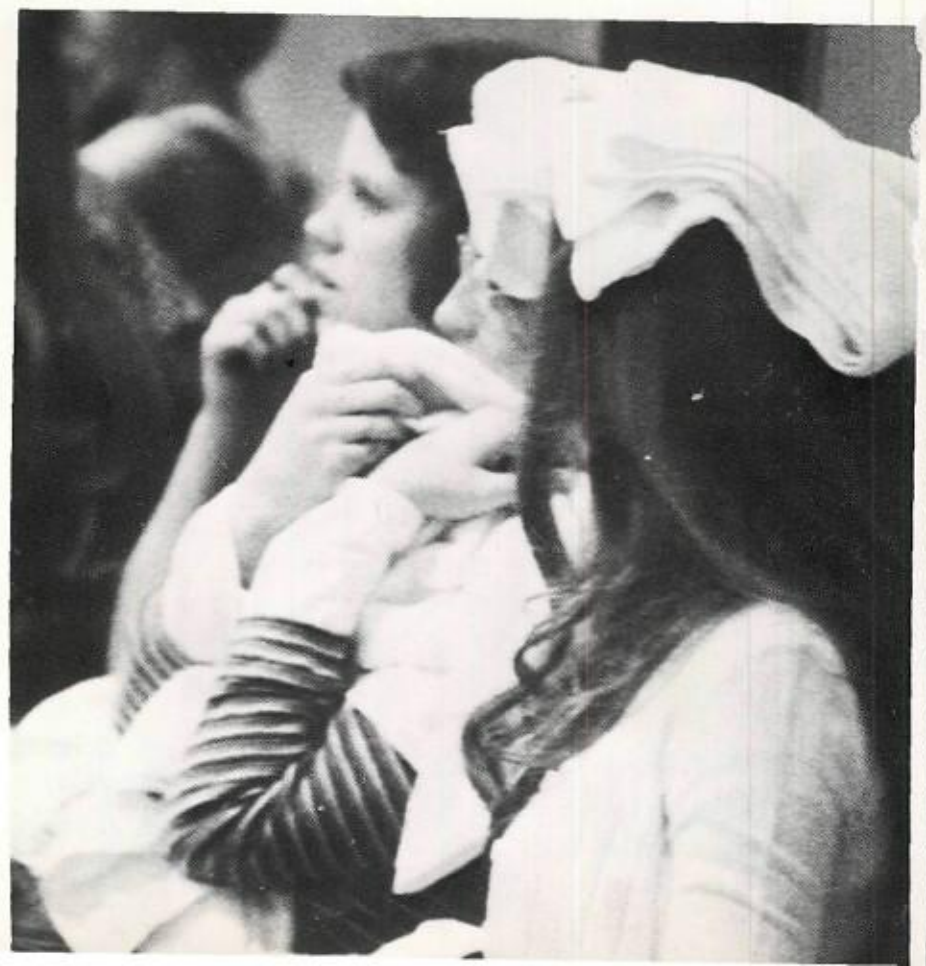




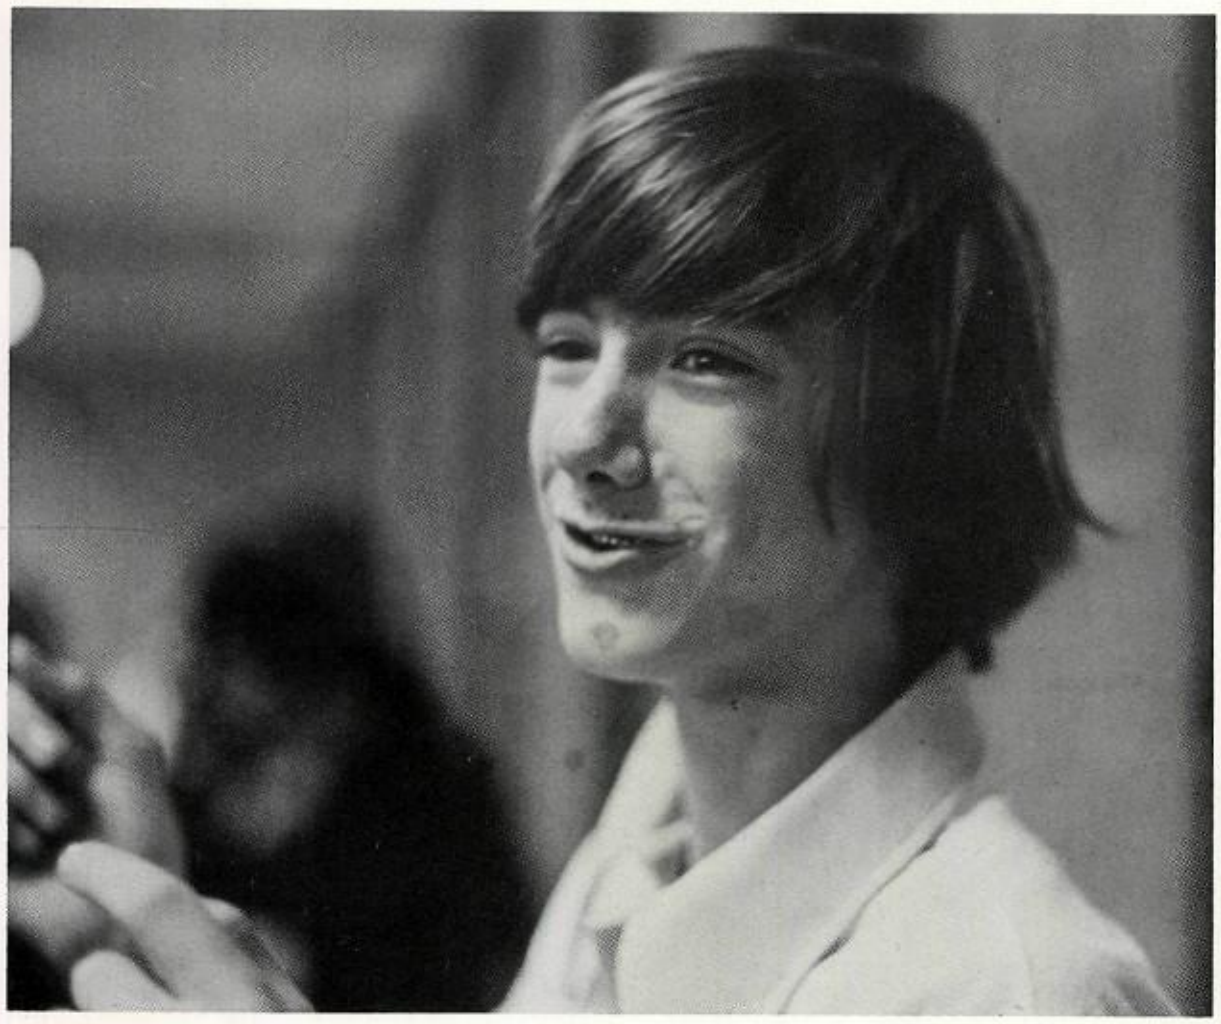
Sail our ships out on the
open sea
Cast away our fears







And the years will come
and go and take us up,
always up



We may never
pass this way
again.

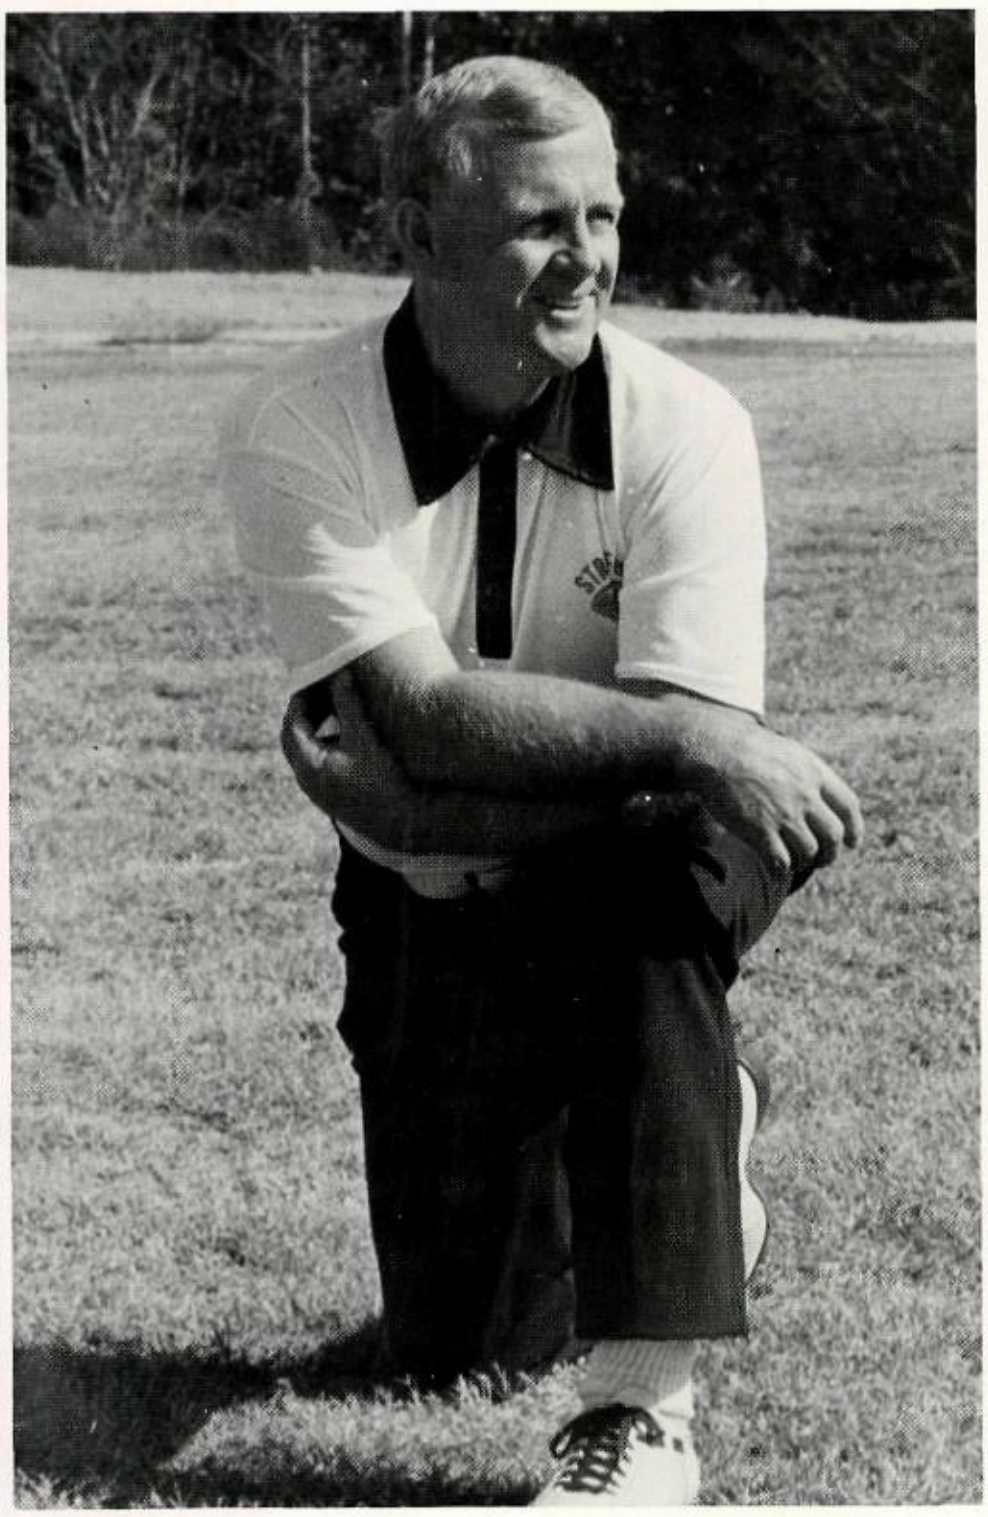
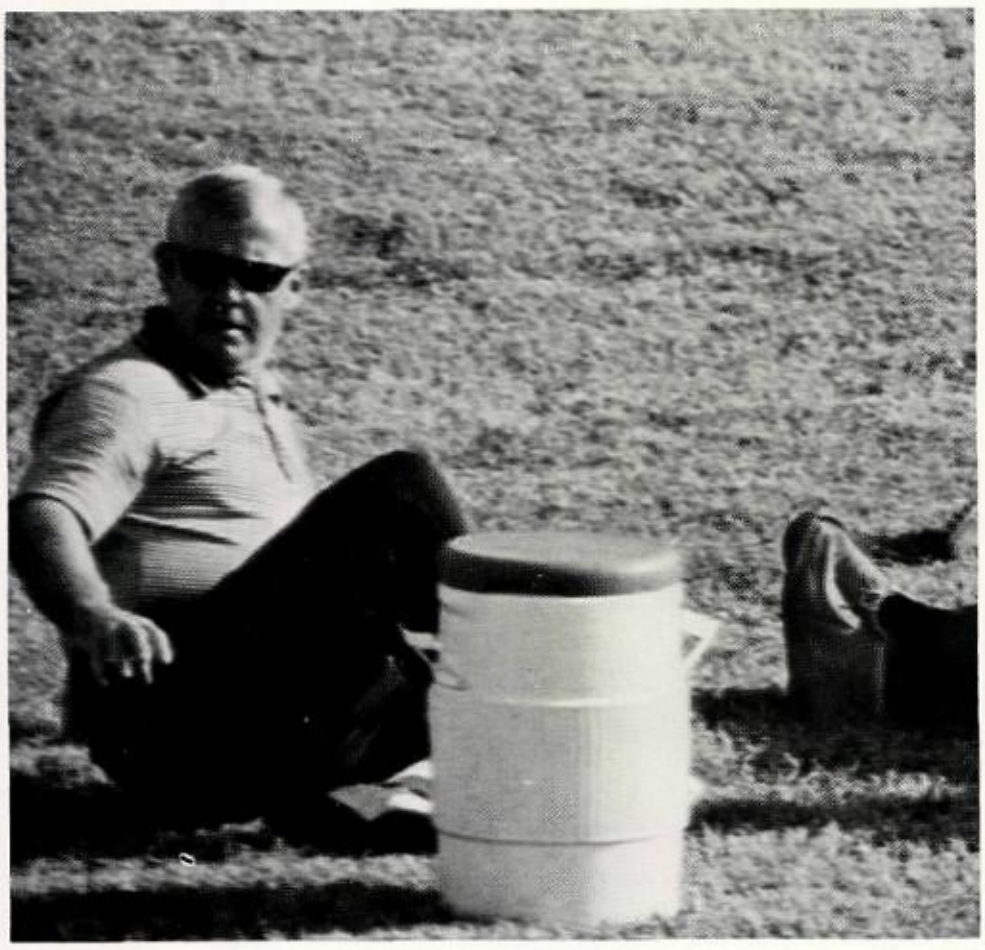
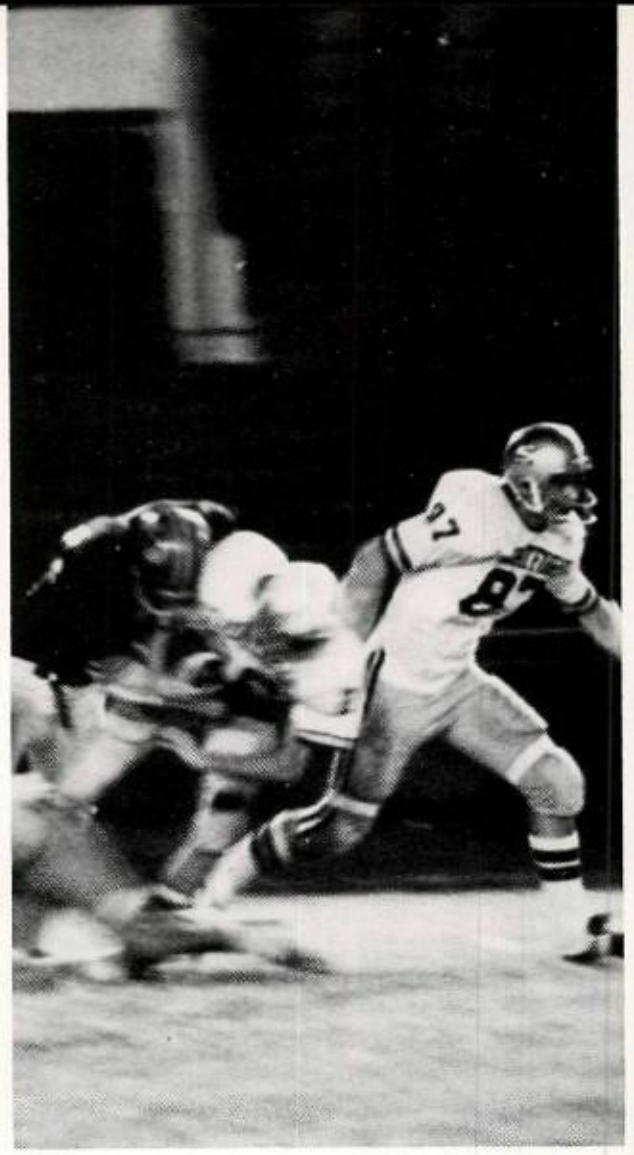
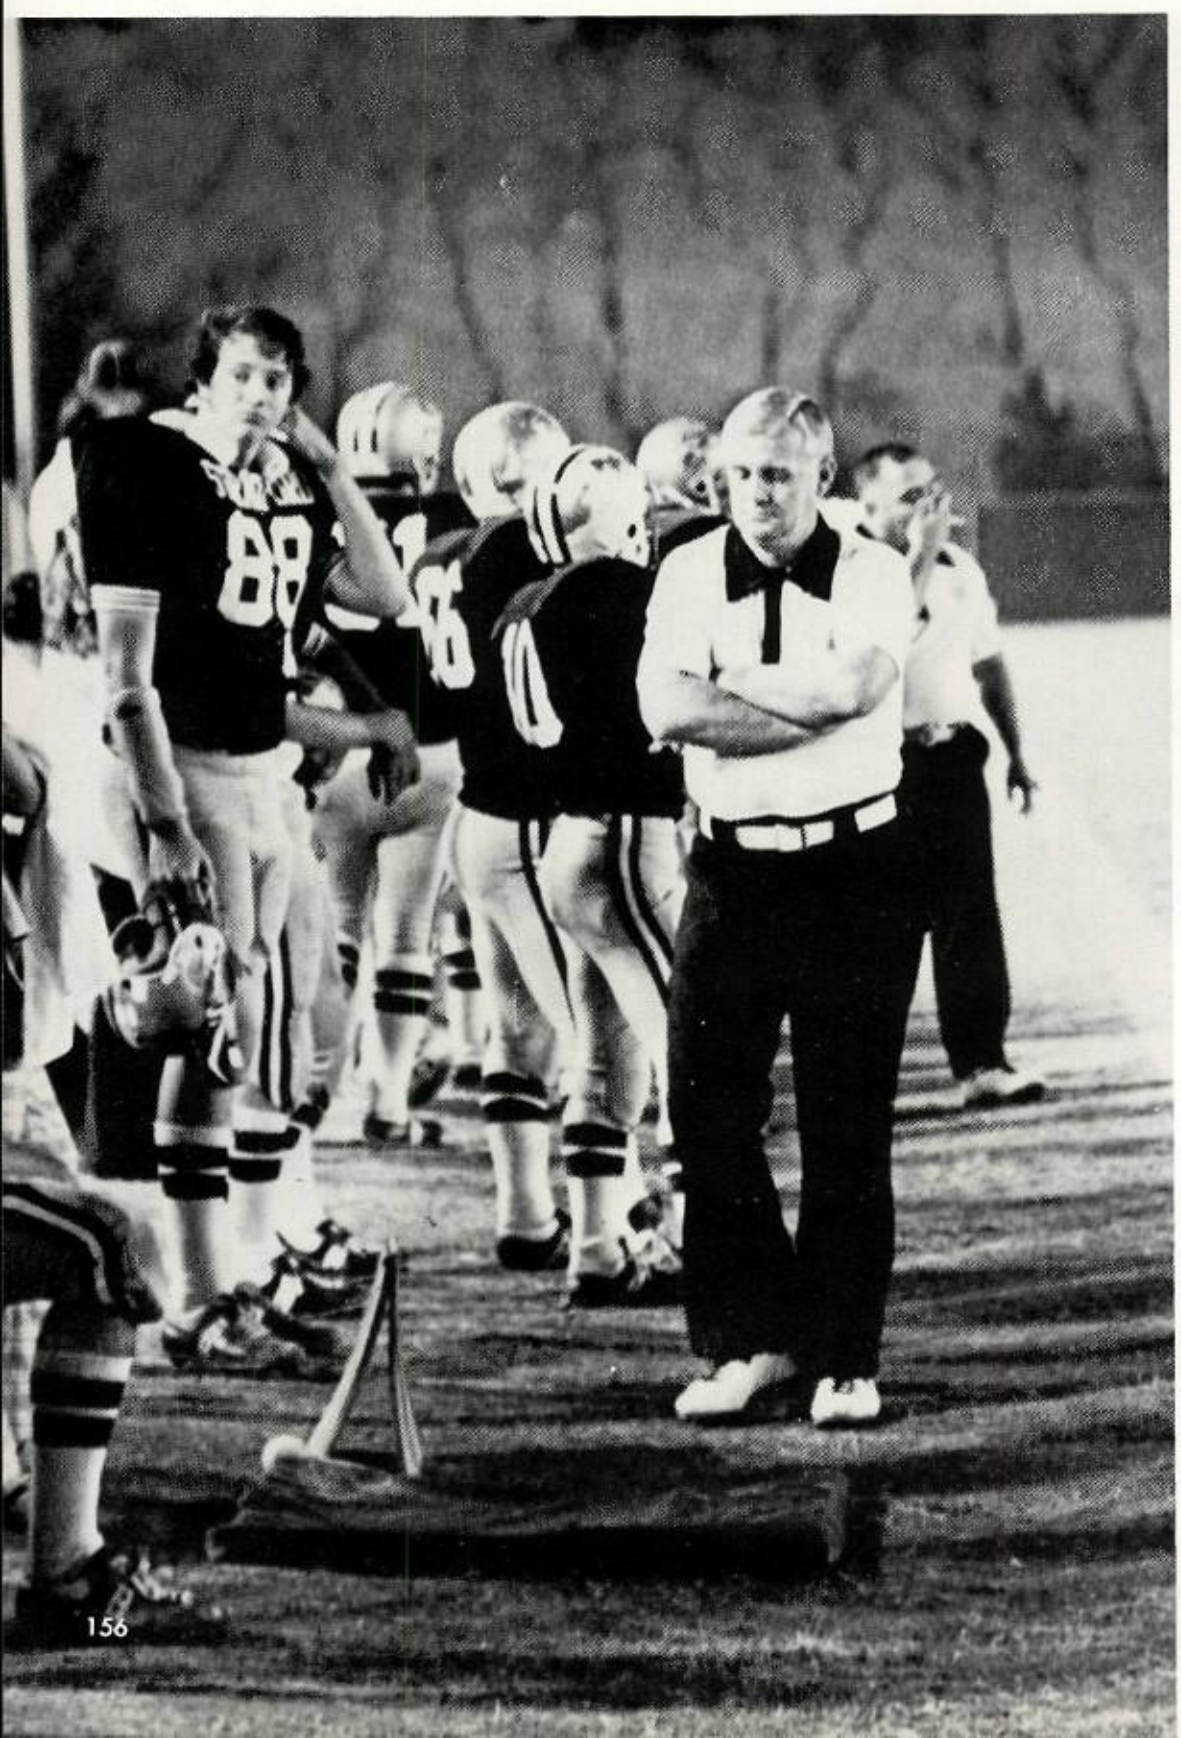
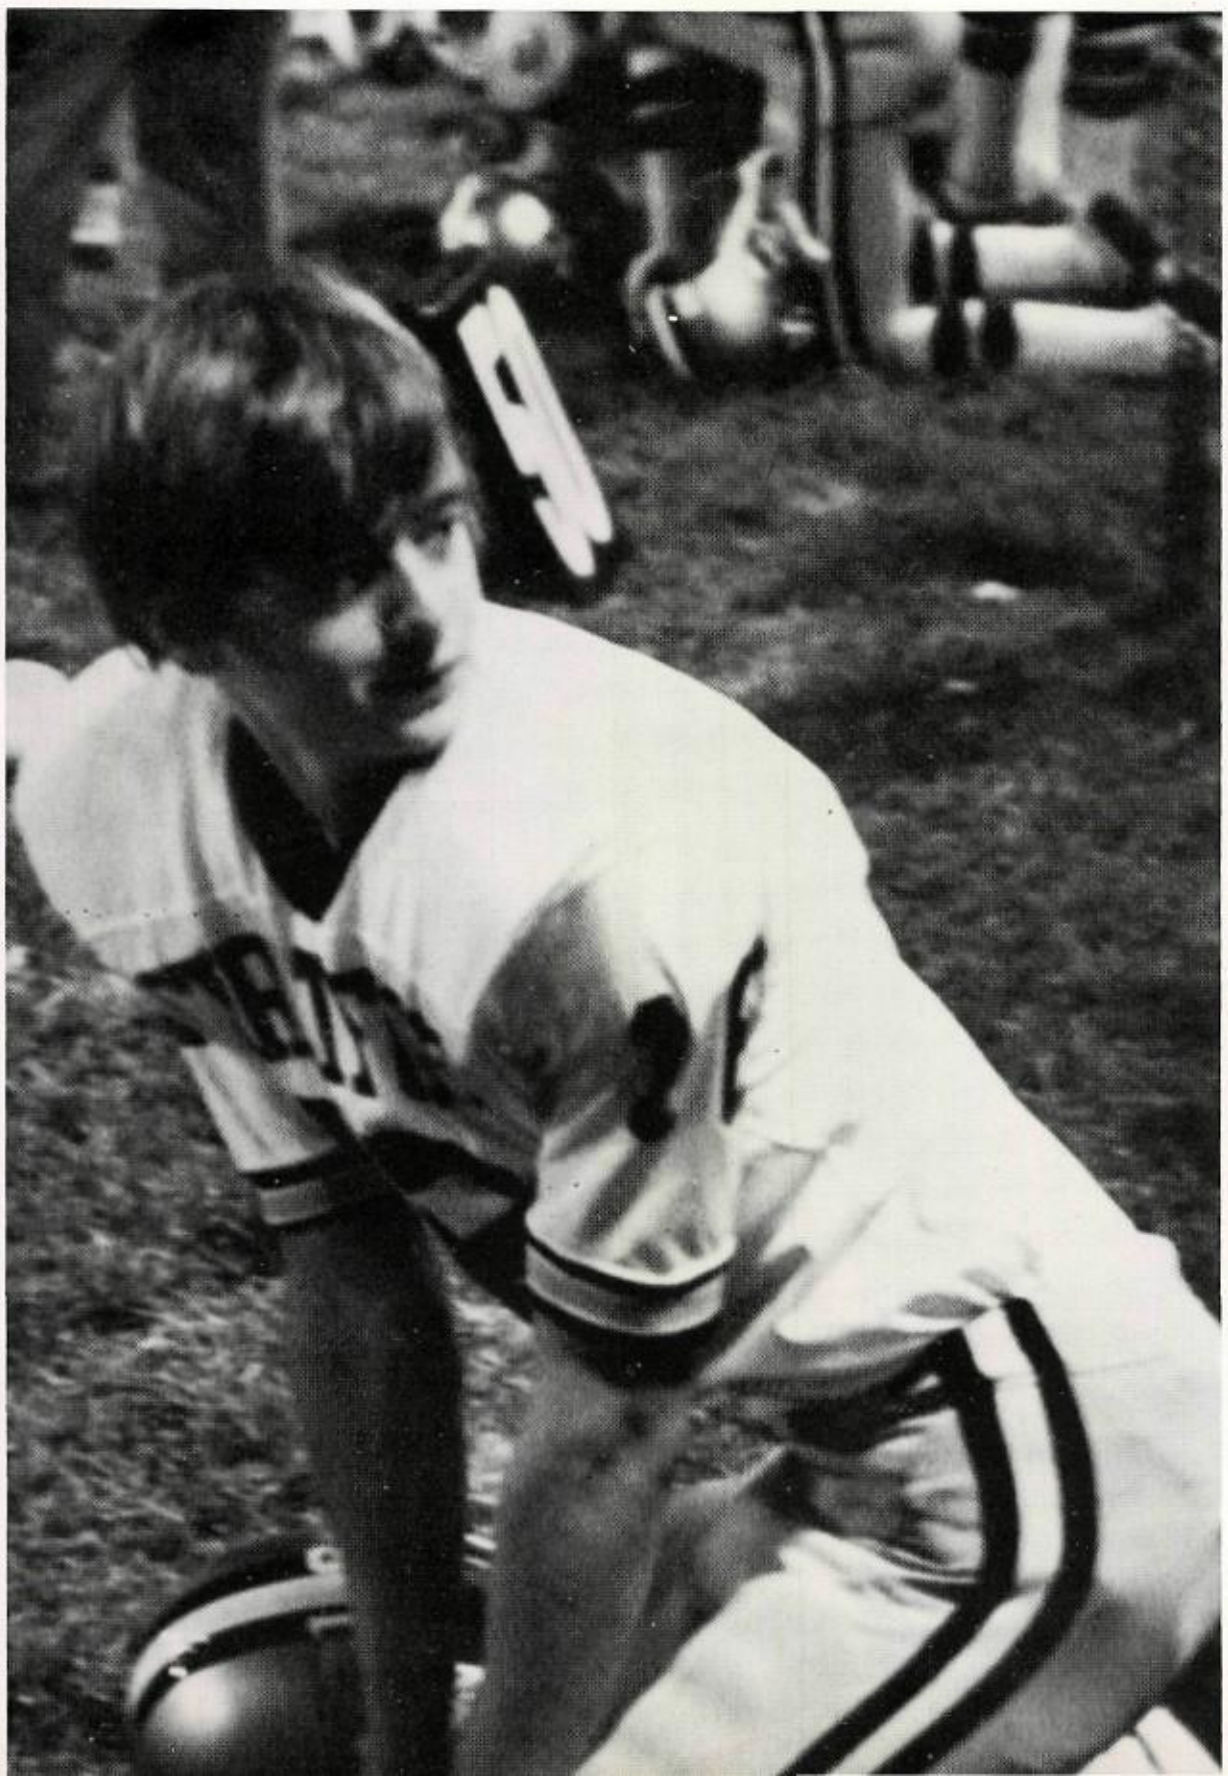
Varsity Coaches











The 1974 Stratford Eagles started practice in August full of hopes of regaining their championship form of earlier years. After the heartbreaking loss to Monroe for the region crown in 1973, the Eagles were more than determined to avenge their defeats of the previous season and become SEAIS champions again.

The season started off promisingly. The Eagles won their first game of the year 13-6 over the Red Raiders of Ravenwood, Stratford avenged a loss they sustained two years ago in Meigs. After both teams swapped touchdowns, the Eagles recovered a Ravenwood fumble in the fourth quarter and scored two plays later. The Eagle defense held against a late Ravenwood rally and victory was assured.

Stratford's first home game was against Riverview, and once again the Eagles prevailed with good defense and an improving offense and won handily 17-0. Offensively, senior Wendell James shined as he carried the ball for 60 yards. Southland Academy came to town unbeaten in its first three games as the Eagles were and by the score of 27-0 were nearly run out of the stadium. The offense was sharp with good blocking from the line and hard running from the backfield, and the good defense held Southland in check.

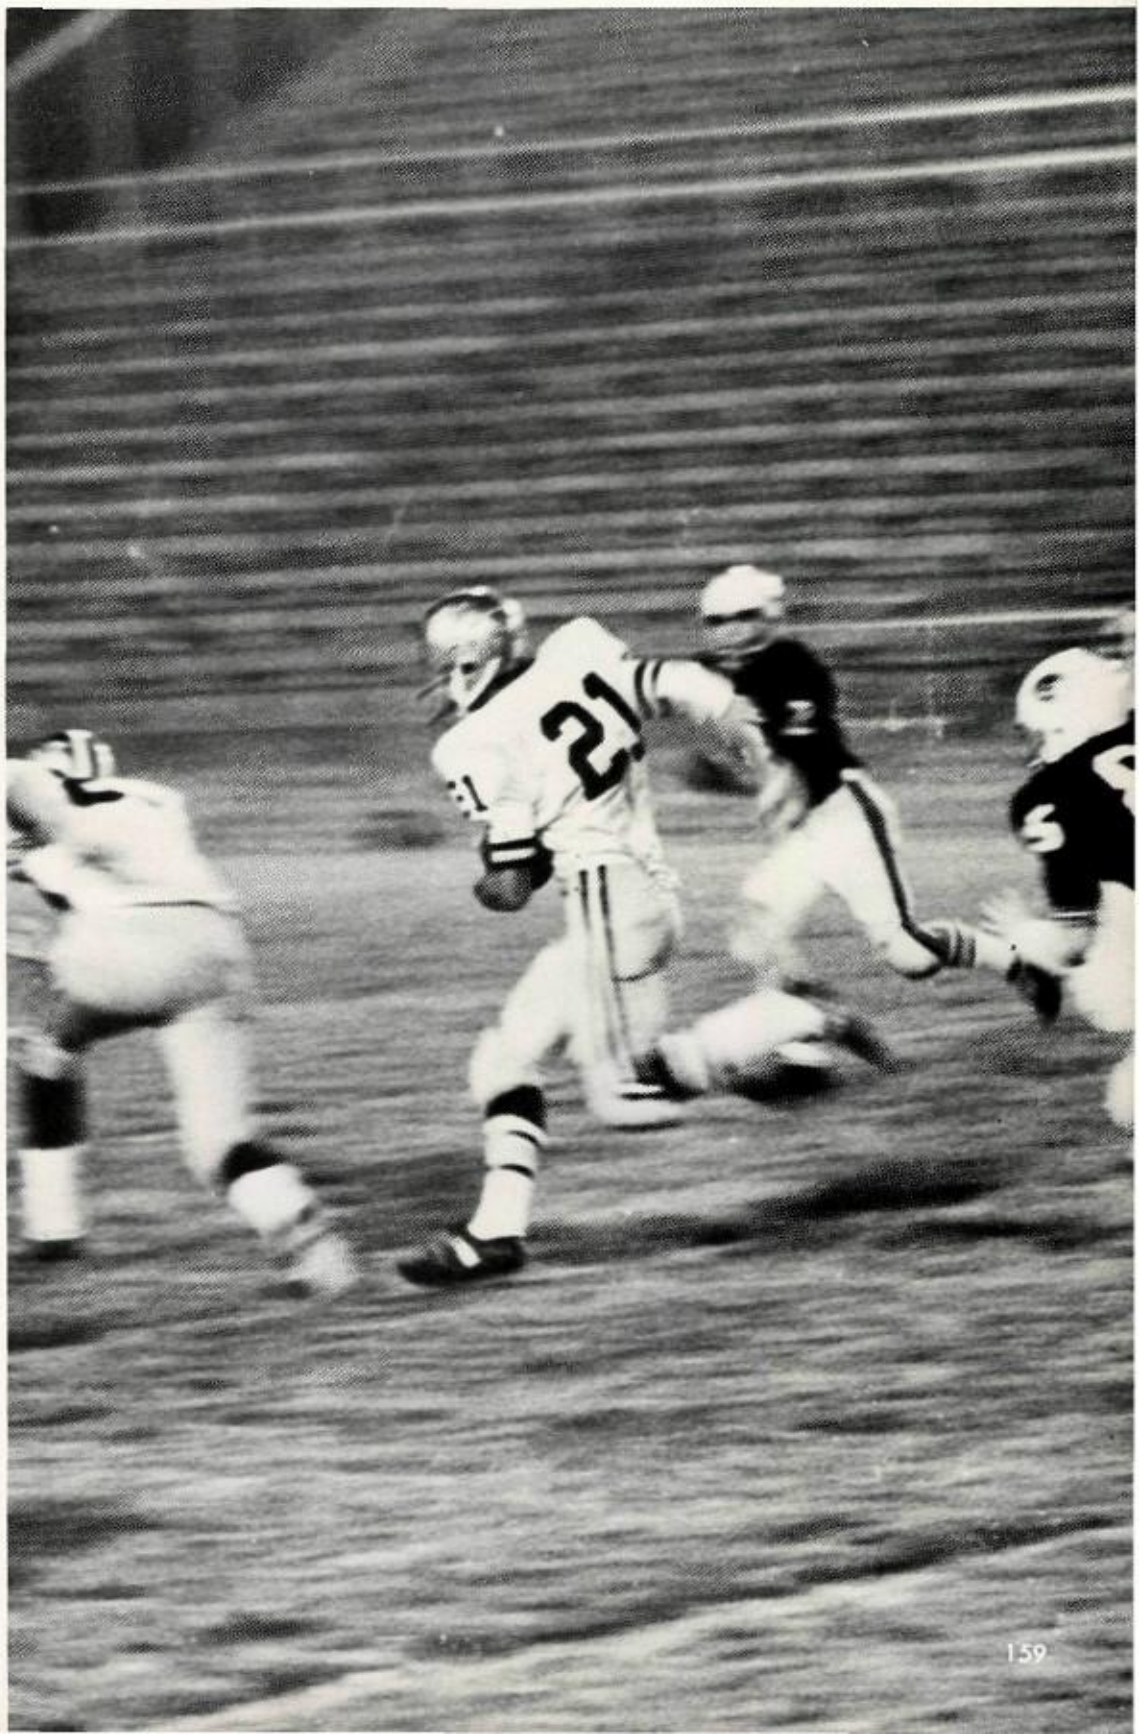
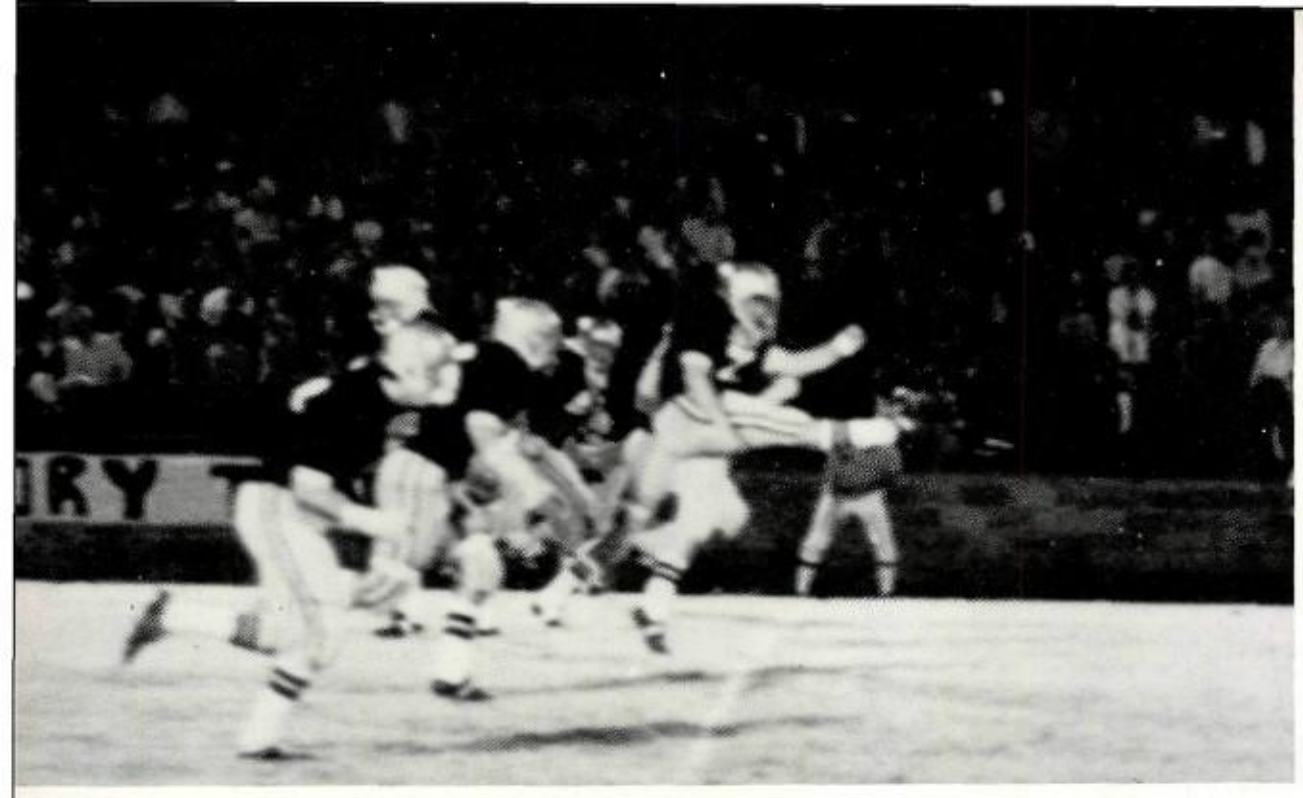
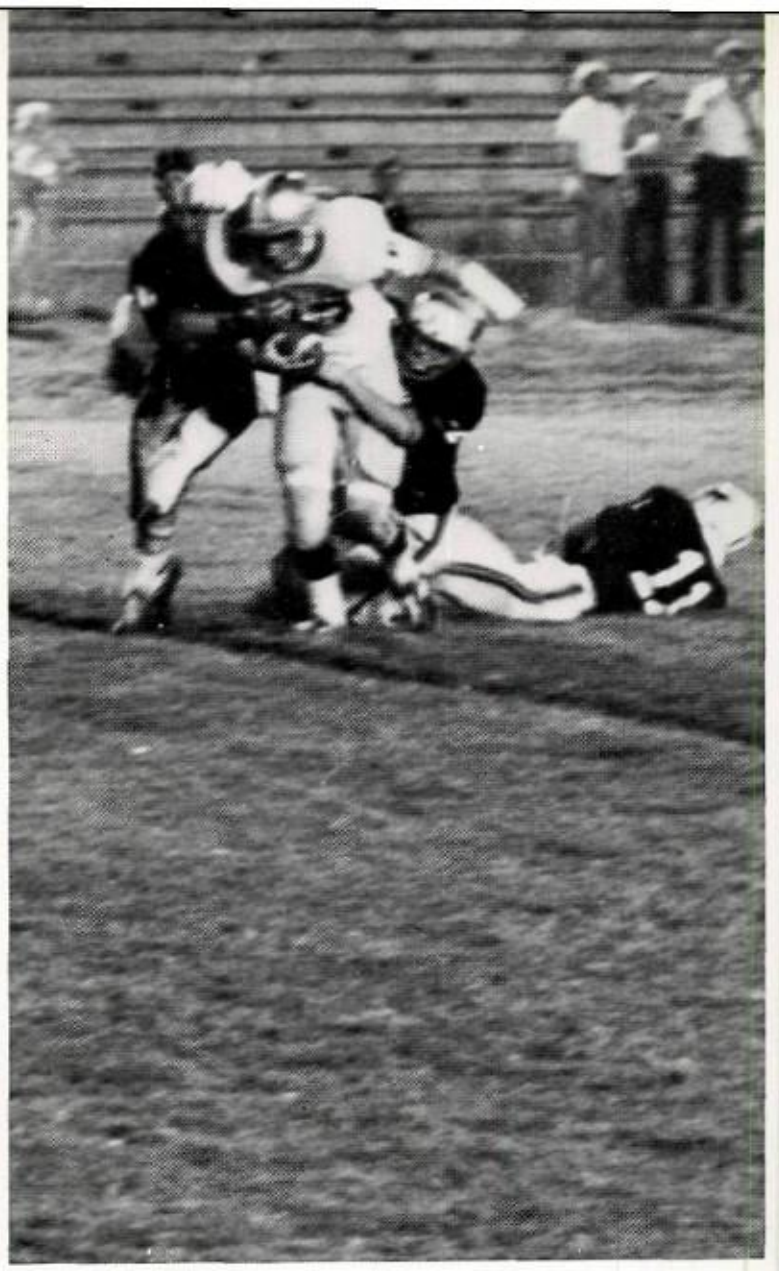
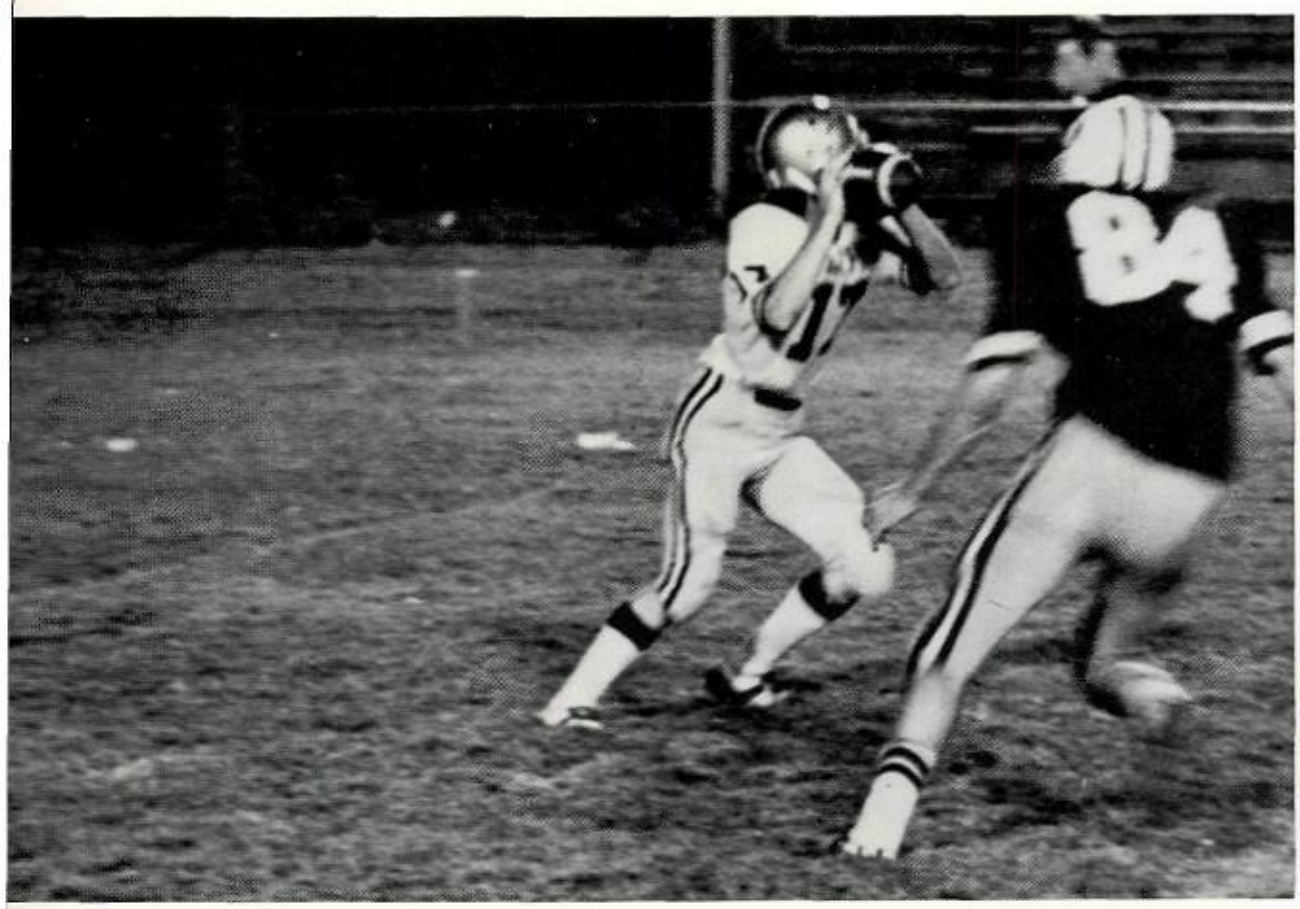
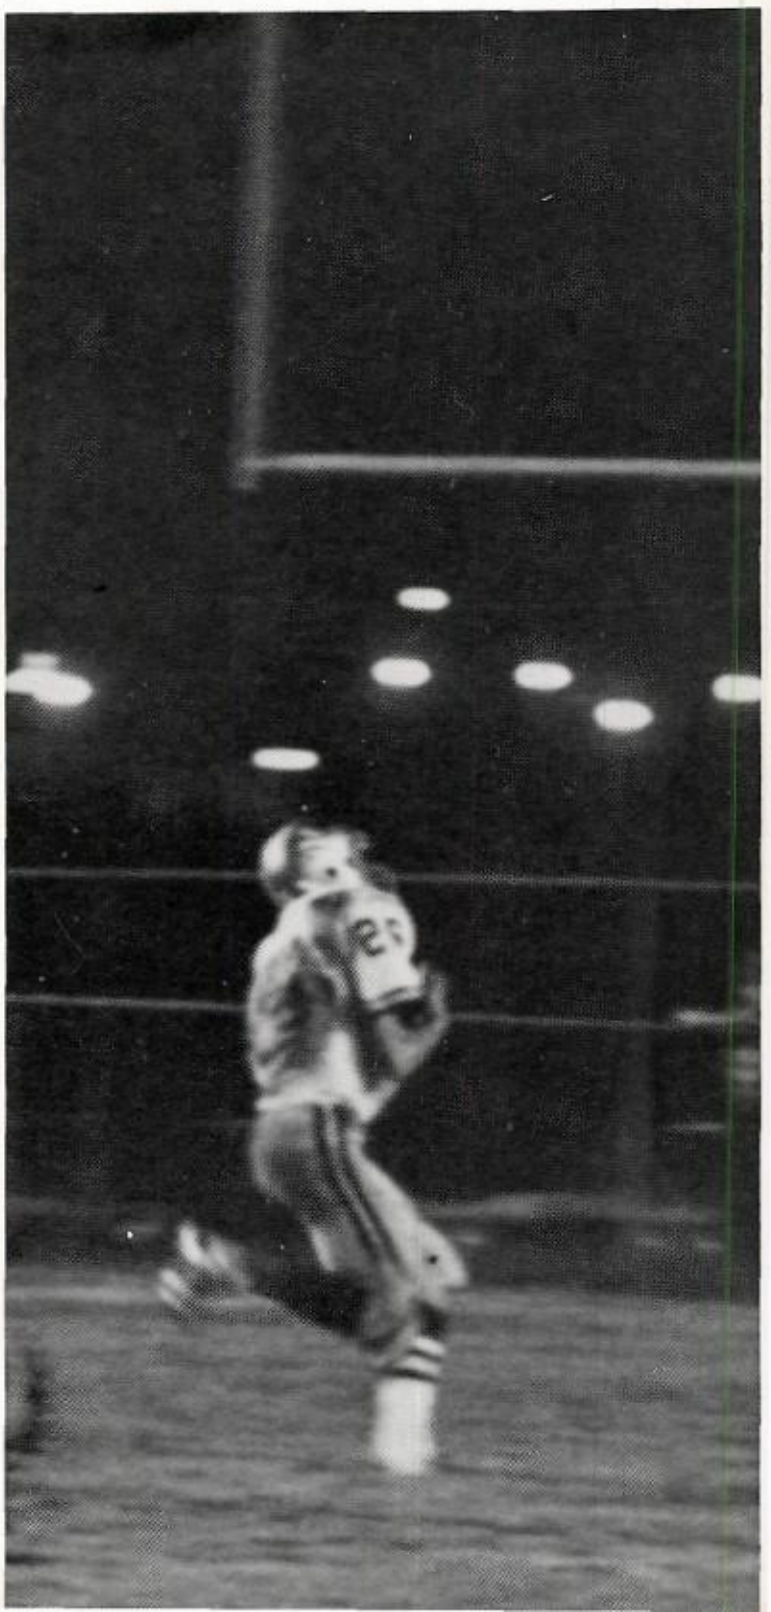
But the Eagles' bubble was burst the next week against arch rival Monroe. The Mustangs overwhelmed Stratford 15-0 and it seemed that Stratford couldn't do anything right. Defensively Don Guritz and Tinsley Matthews turned in good performance in a losing cause as the Mustangs completely shut off the Eagles' offensive attack. It was tough to lose especially when the hopes of winning a region crown were dimmed, but that didn't stop the Eagles. The next week Stratford got back on the winning trail defeating Deerfield Academy from Albany 39-0. The offensive team put on a spectacular show, and the defense led by Guritz, linebacker Trip Smisson and ends Calder Clay and Danny Skinner were tremendous as the Knights were never in the game. Edmund Burke became the next victim, as Stratford completely outclassed the Spartans 26-0. Quinn Nolan scored twice, and juniors Billy Meeks and John Wilson each scored once as Stratford ground out 280 yards in offense and held Burke scoreless.

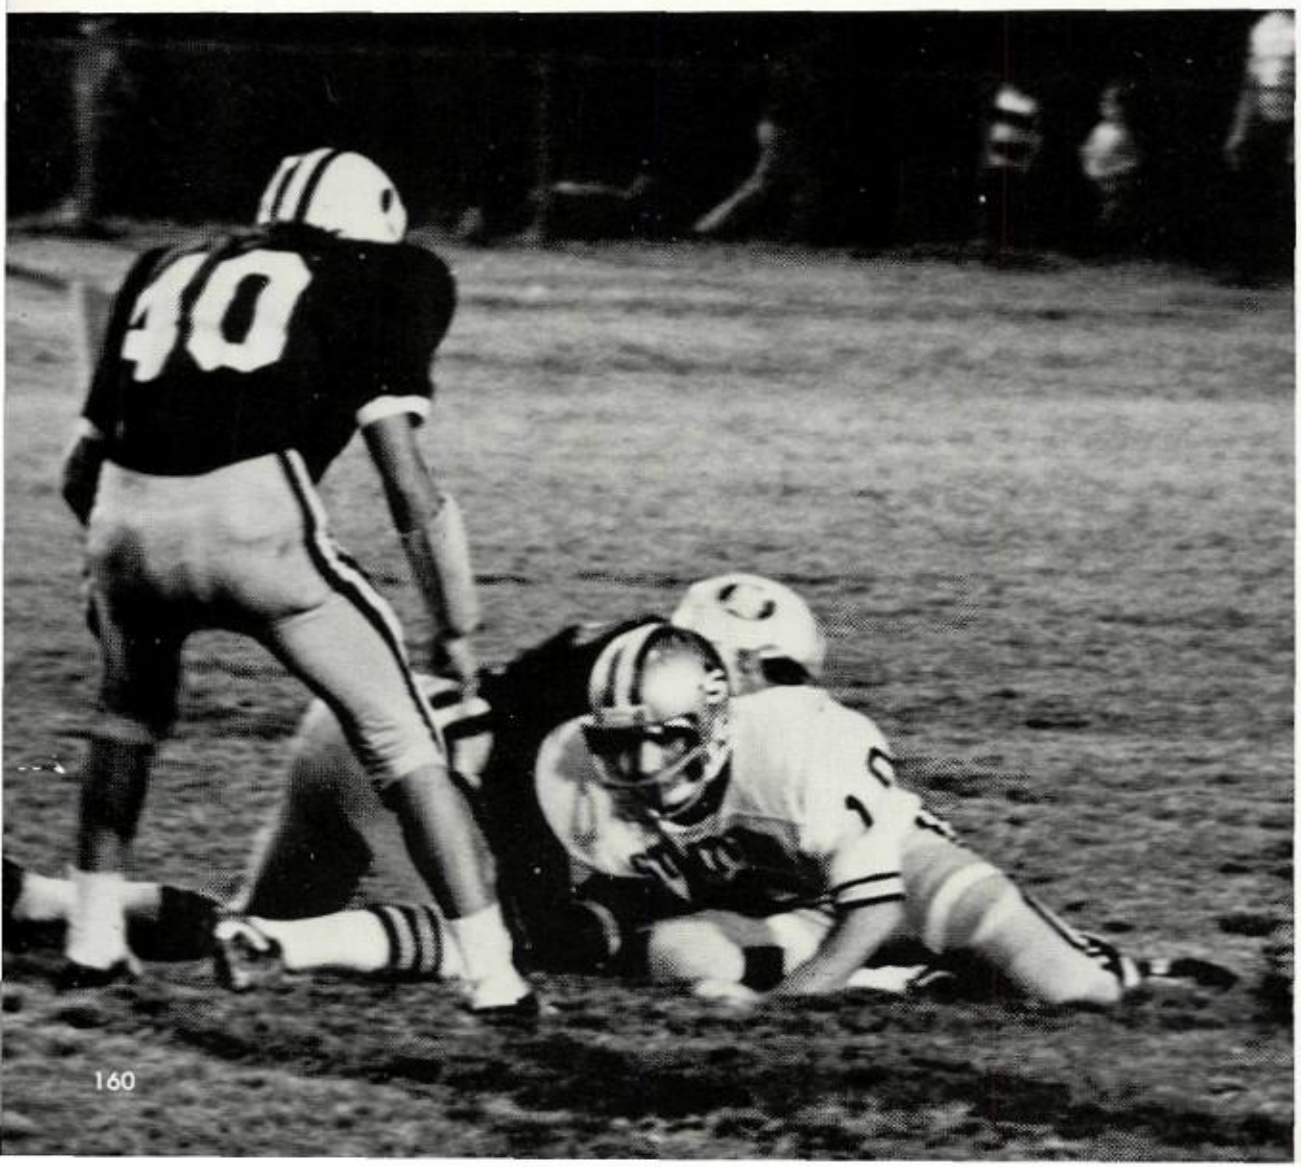


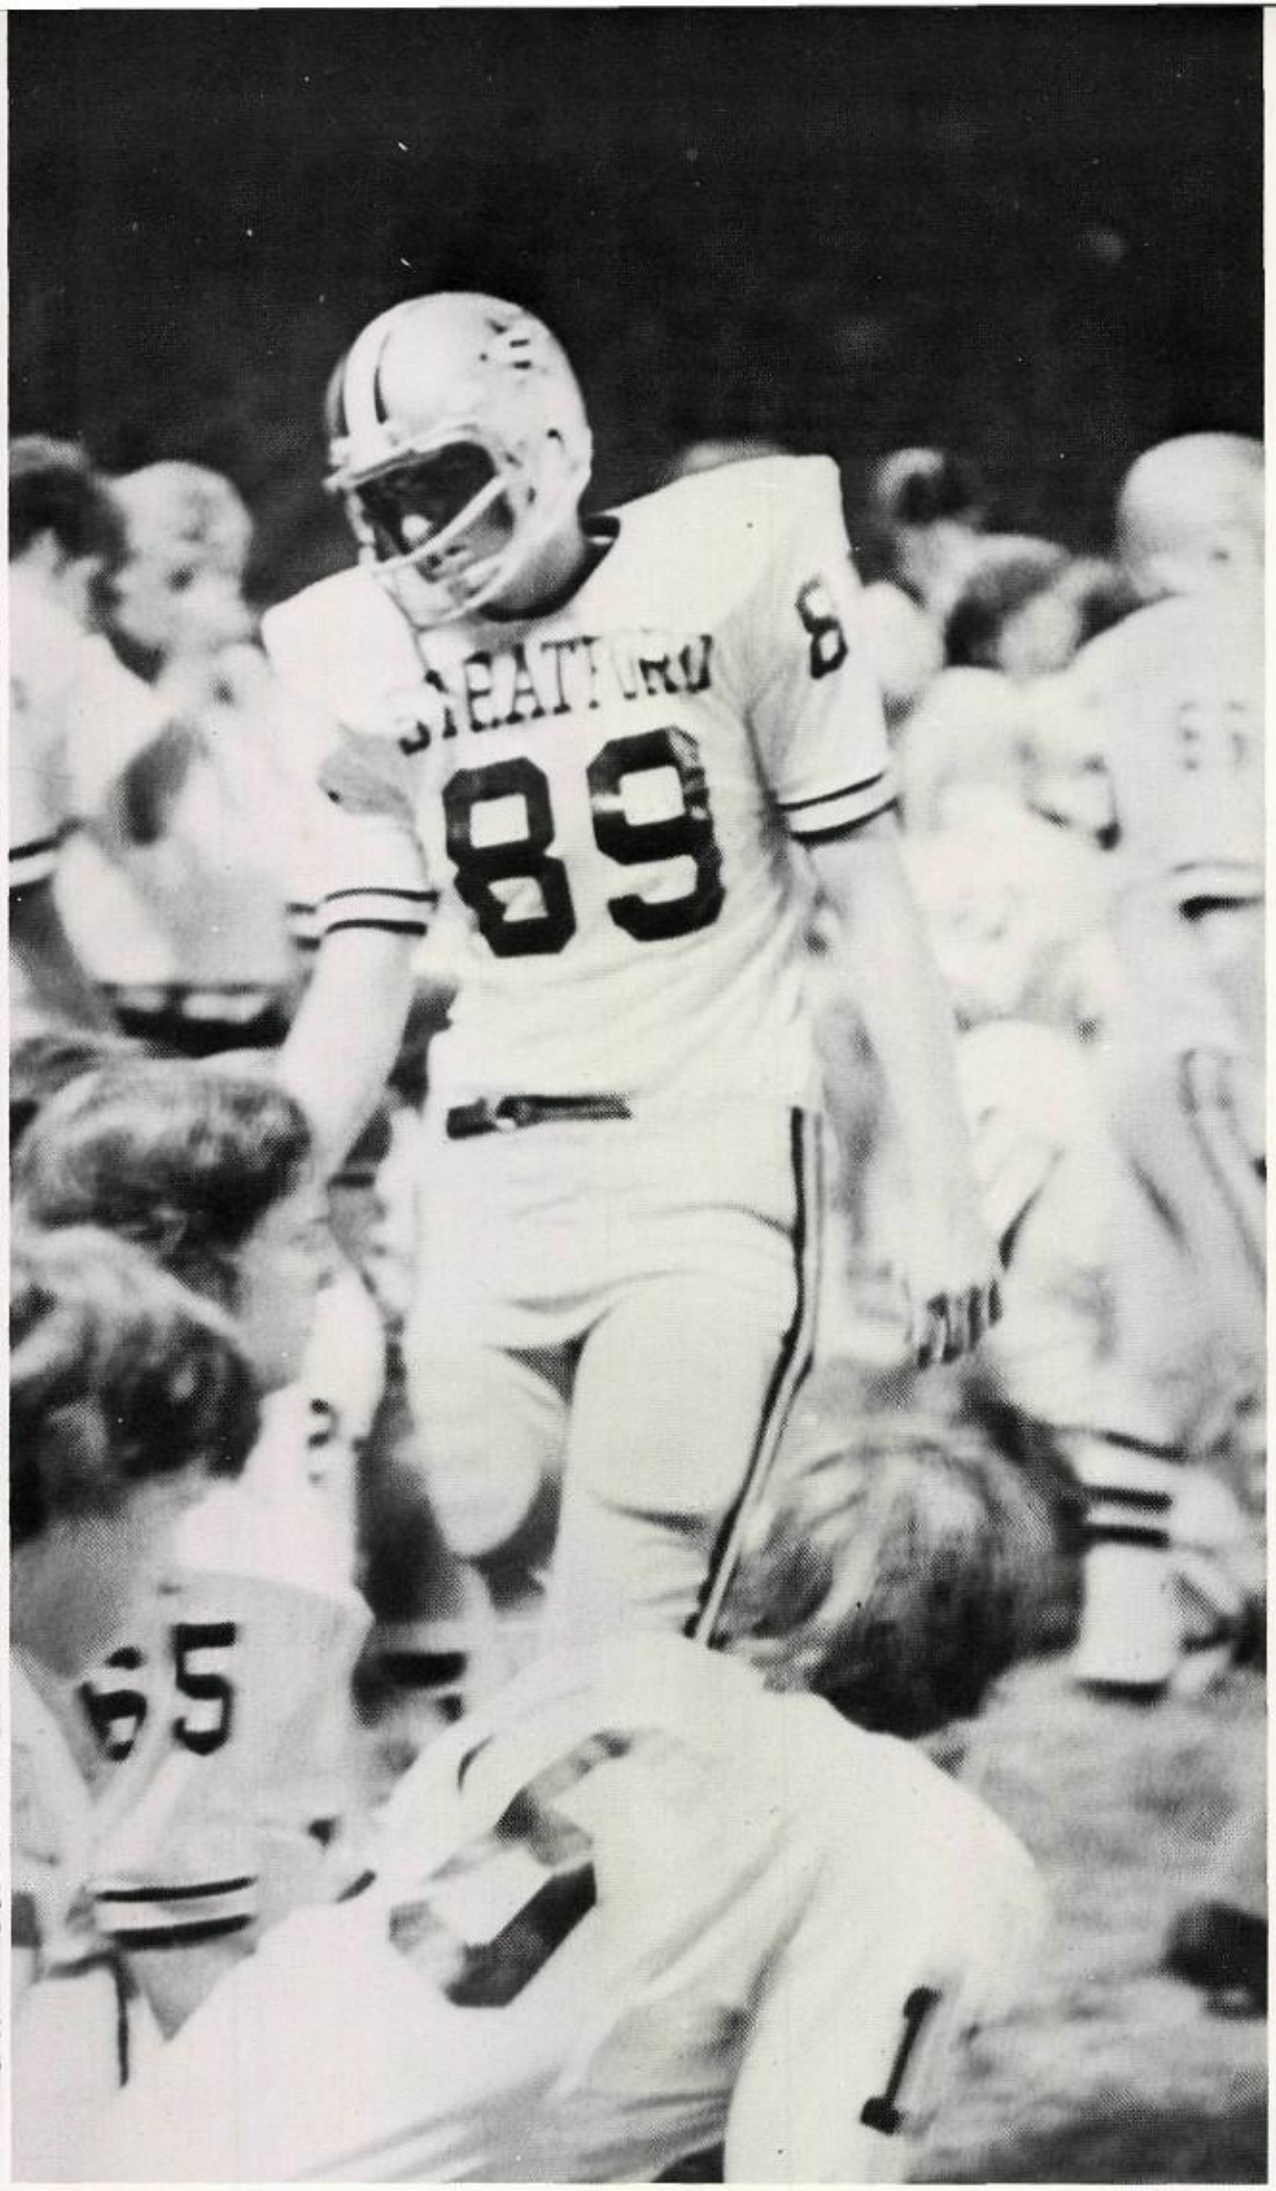


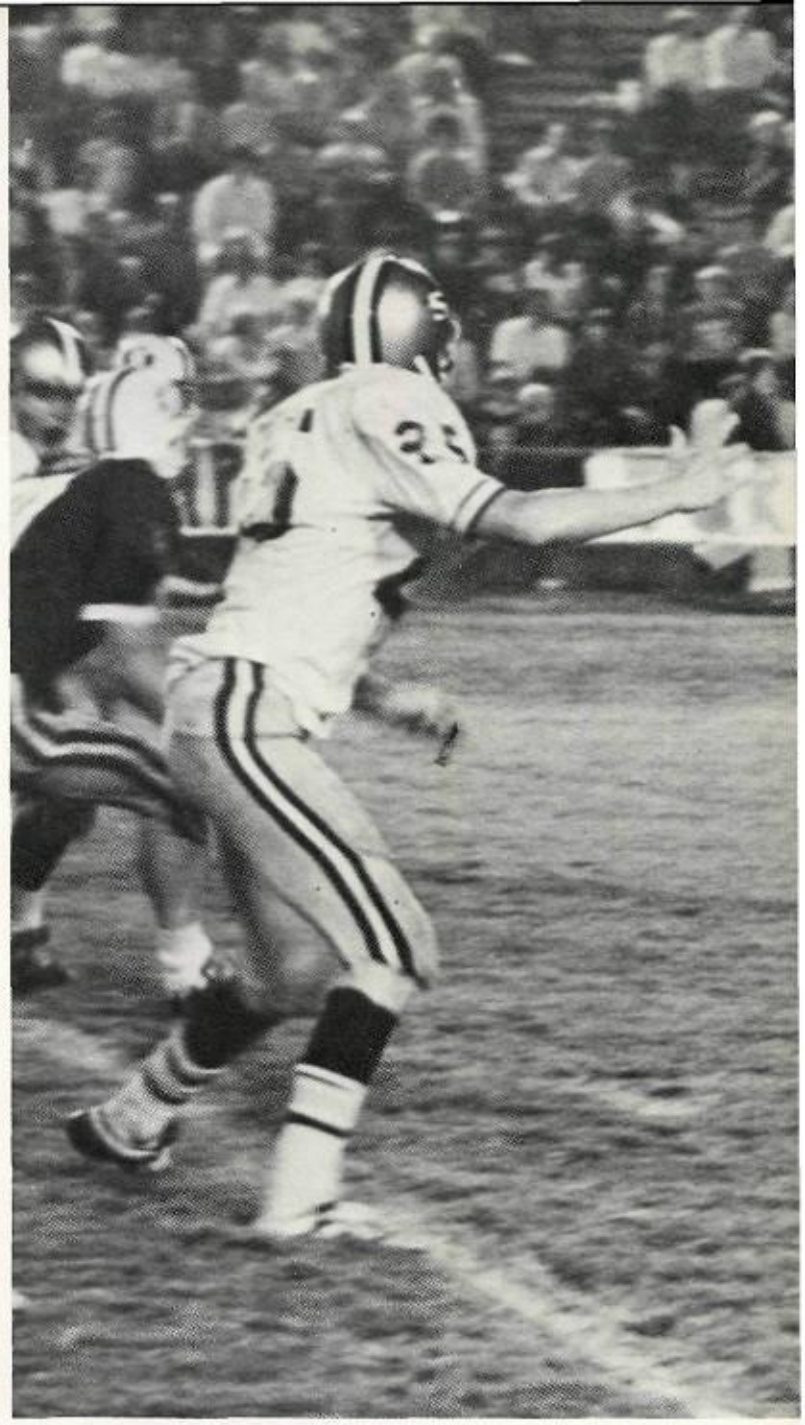


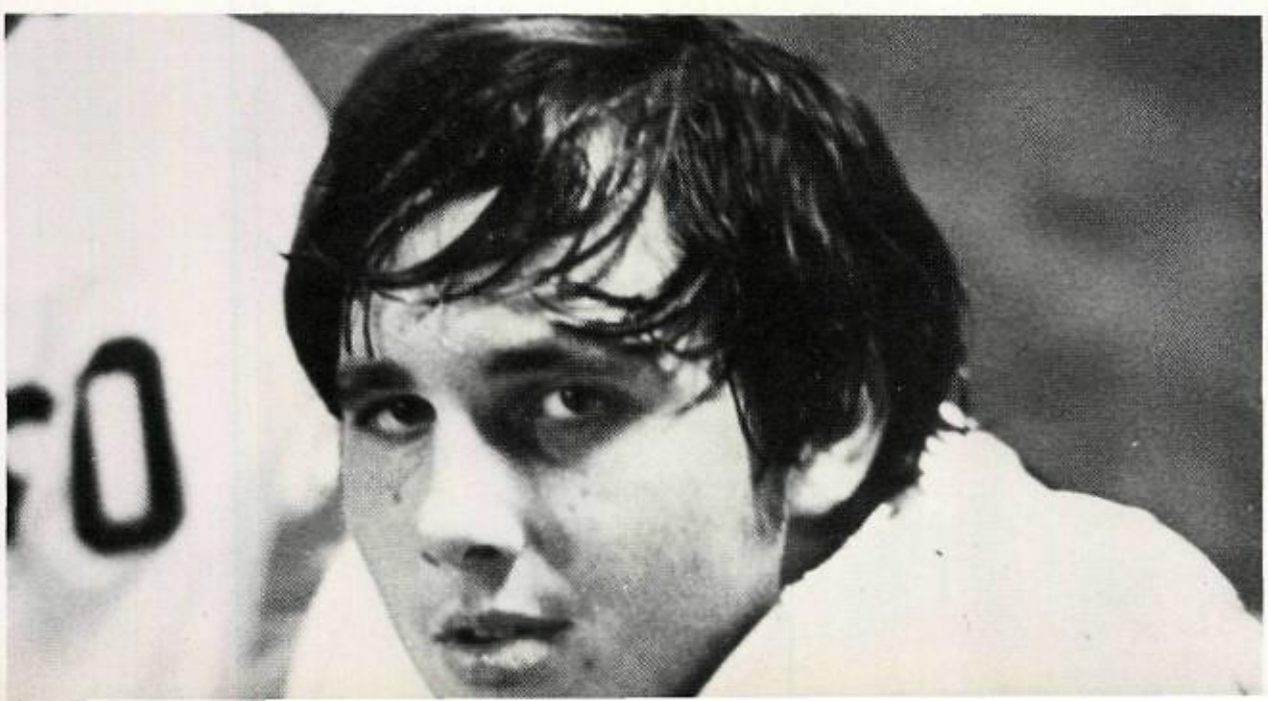




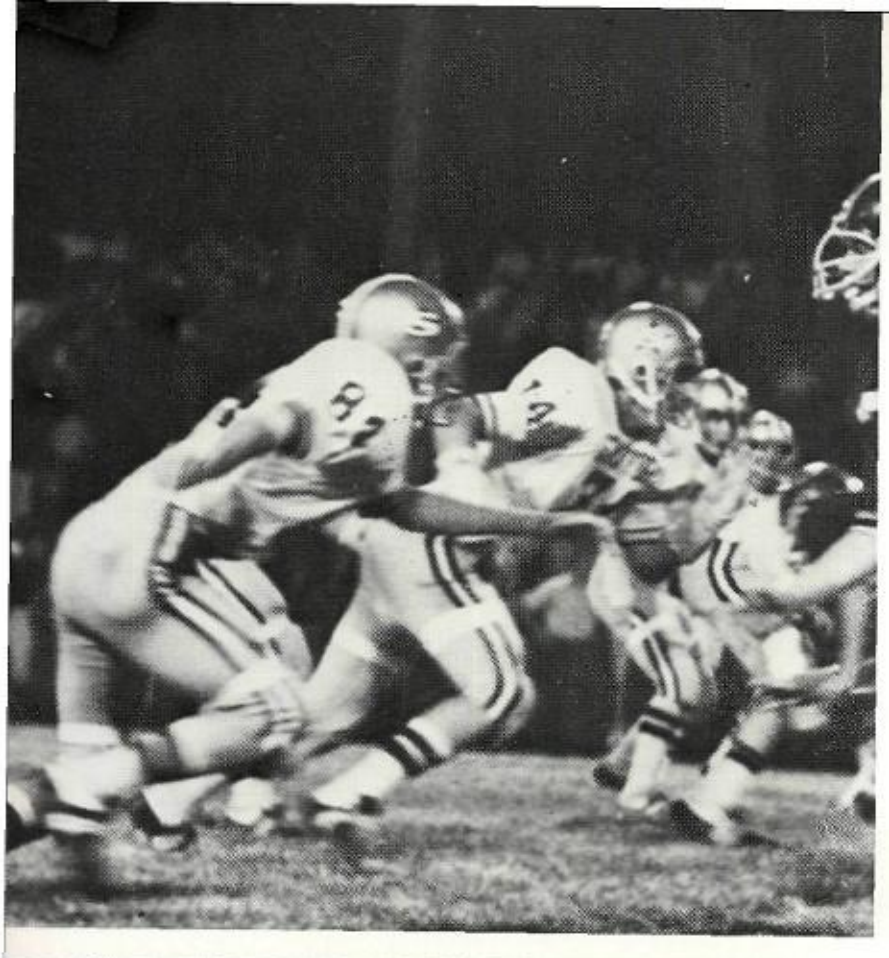


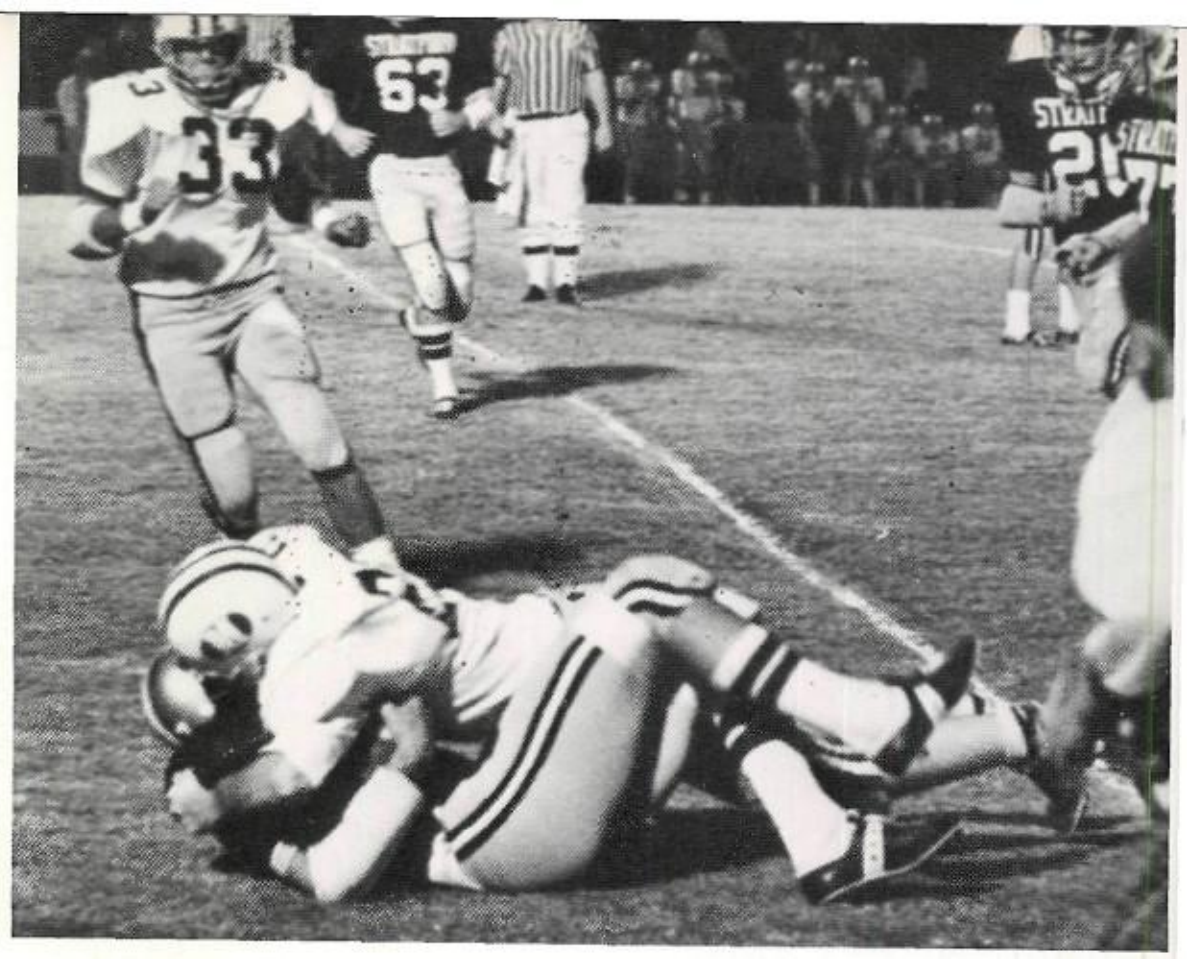


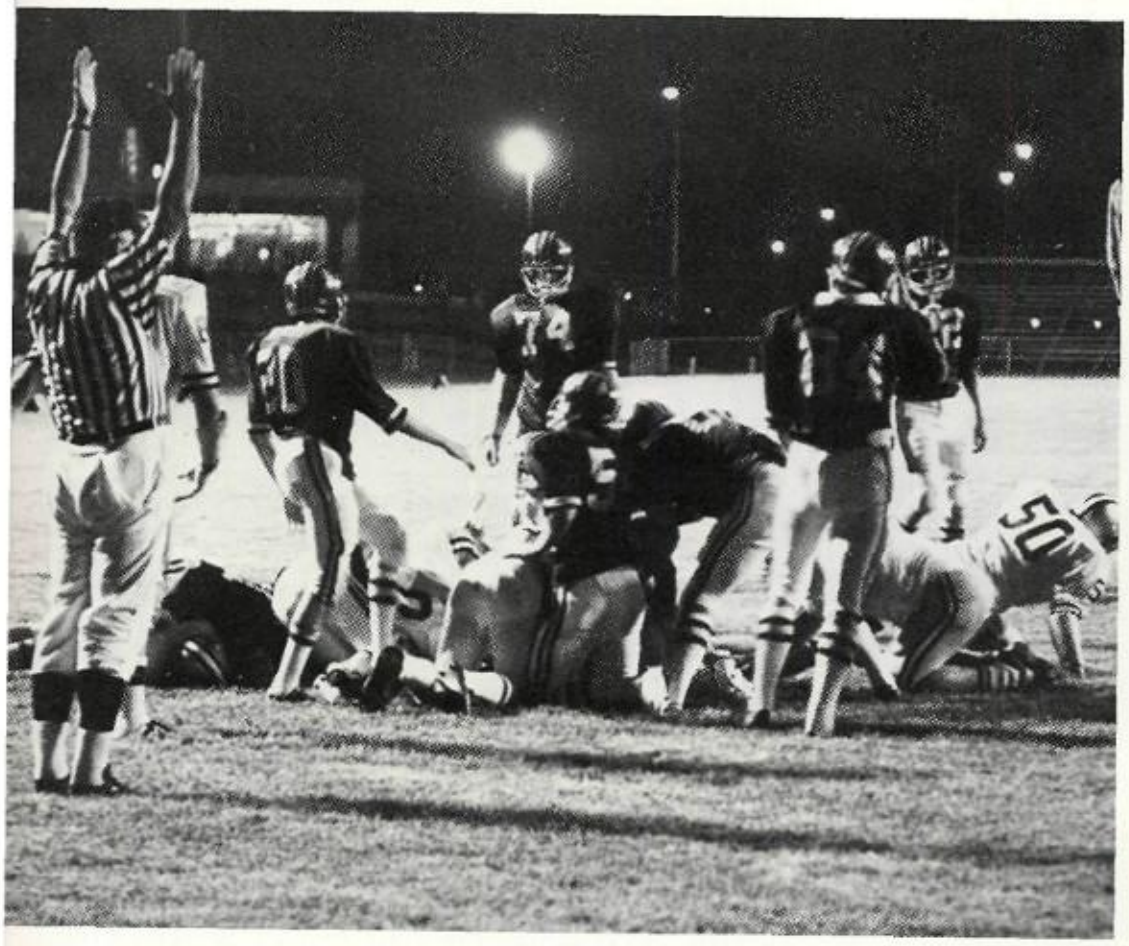


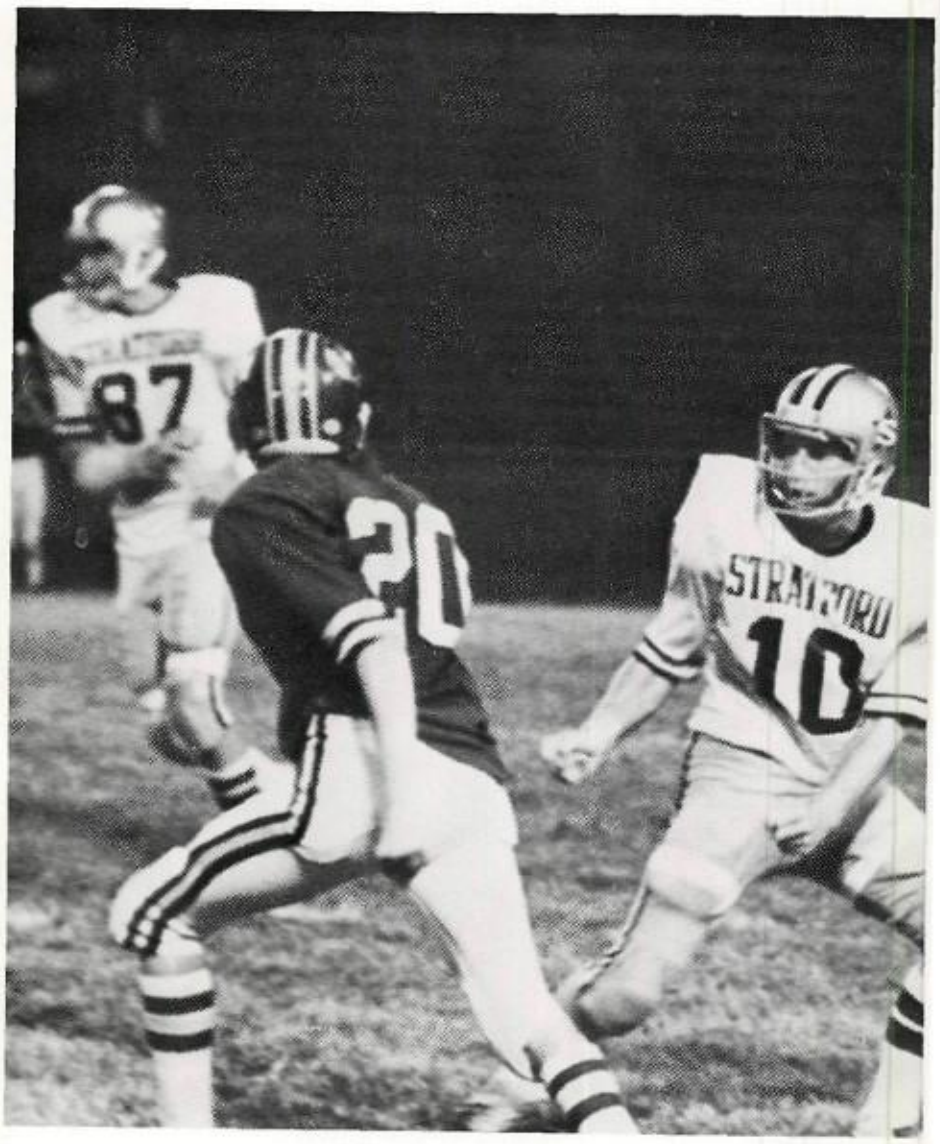


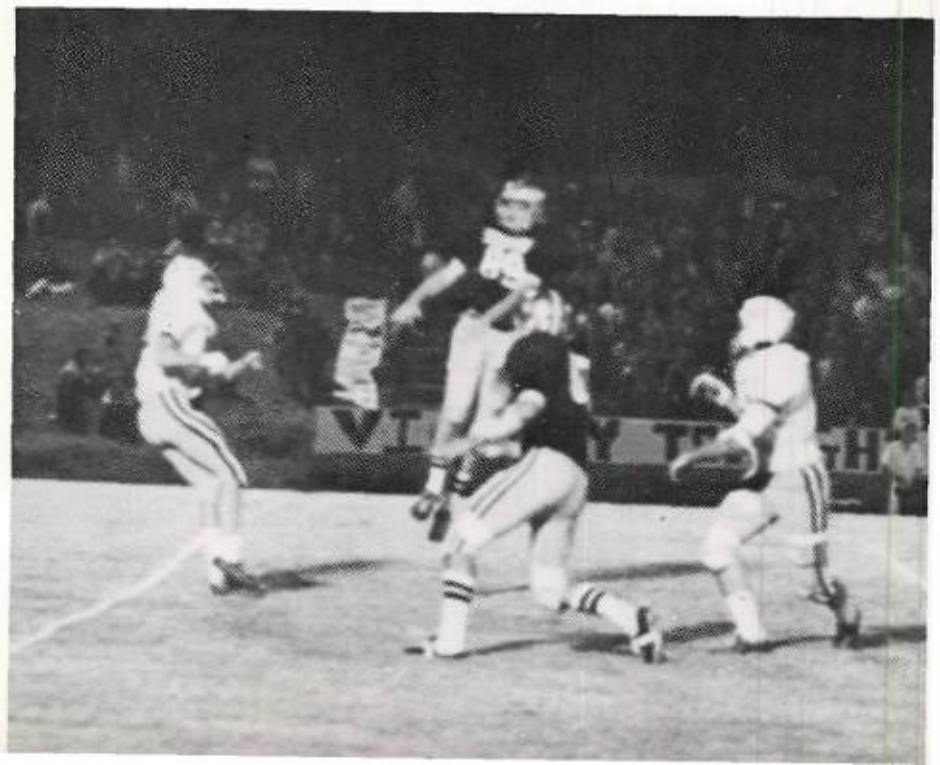
Revenge is always sweet and especially against Monroe. Stratford got their revenge by defeating Monroe 14-7 in Forsyth. Even though it was a non-region game, the Eagles did hand Monroe its first loss of the season. Offensively in the line Sonny Jester, Mal Lawrence and Burke Murph and in the backfield Wendell James and Billy Meeks all turned in fine performances. The defense once again was awesome as Stratford held Monroe to a single first down in a fine team effort. The homecoming game was the next week against Tattnall Square on Halloween night. The Eagles scored 20 points in the first half on touchdowns by Paul Jones, Wendell James and Billy Meeks, and 19 points in the second half as the Eagles beat the Trojans 39-0.











The last game of the season was against Jonesco's Colts from Gray. The 27-0 score didn't really tell the story as the Eagles ran all over the hapless Colts.

This year's team might not have had the most well-known athletes, but more unity was found on this team than on teams of years before. There was much leadership by the seniors, some of whom were on the first Stratford football team and playing their last year of football. The team recognized the ability to work together as a team to be a true art, and should be proud of a fine year of football.

An annual is a composition of the efforts of many individuals, and our Overlook is no exception. Within these pages are typical examples of the events and personalities that have made this year memorable to us. Although the face of Stratford has changed, the true spirit remains. It is our wish that we have captured the mood of 1974-75. To us its memories are golden.
